

teachers, as occasion is offered. To advance this interest we call attention to our "Sunday-school Parliament," to be held late in August, on the St. Lawrence Central Camp Ground.

4. Our CANADA CHRISTIAN ADVOCATE deserves to be read by all the members and adherents of our Church. We cannot refrain from expressing the opinion that our people suffer great loss by failing to take our own Church paper, the first page of which alone, by its choice variety of matter, is worth the price of the subscription. Many of the choice books with which our Book-Rooms are stocked should be in every household as mental, moral and religious nutriment for our families, and as a substitute for the harmful literature with which the country is flooded.

5. We congratulate our Church on the great success that has attended her efforts to erect new, improved, and elegant Church edifices in important centres, and we exhort all to assist by prayer, sympathy and money, in carrying forward this goodly work. The "Church Extension Society" has therefore a claim on our united zeal and enlightened liberality.

6. Our Educational Institutions at Belleville and St. Thomas are prayerfully and confidently commended to the care and patronage of the Church. Alma College, as a young child of Providence, cannot be forgotten or neglected without blame, while Albert College for gentlemen and Alexandra College for ladies, by the history of nearly a quarter of a century, have won a right to our confidence, our patronage, and our prayers. There is urgent need of large gifts, of thousands and tens of thousands of dollars, and in the absence of such gifts, there is need of continued "College Collections," which must be maintained, or the institutions at Belleville must suffer disaster.

7. Our Mission Work is affectionately commended to the heart and conscience of the Church, in the conviction that a Church that neglects to send the Gospel into the "regions beyond," and refuses to hear the imploring cry, "Come over and help us," will cease to be a Christian Church, and will wither under the curse of the Almighty.

We call attention to our collections for the superannuated, and the widows and orphans of those who have died in the work. This is a debt of honor, gratitude, and of justice we owe to those who have toiled and suffered to leave us our goodly heritage.

9. As Episcopal Methodists we are but consistent with ourselves in keeping up to the full standard the Episcopal Collections in all our circuits and stations.

10. "Finally, brethren, farewell. Be perfect, be of good comfort, be of one mind, live in peace, and the God of love and peace shall be with you."

A. CARMAN, Bishop.
