INGERSOLL, ONTARIO, WEDNESDAY, SEPTEMBER 6, 1905

PRICE ONE CENT

New Fall Dress Goods!

THESE ARE NOW OF
FIRST IMPORTANCE.

The history of this store is so linked with its superb Dress Goods Department that we feel it almost out of place to dwell on the subject of Dress Goods but we want our friends to appreciate the fact that our Fall Stocks are almost complete and this week we will be glad to show you the material for your new suit.

Chiffon Broadcloths—A soft, silky finish in a special costume weight. All the popular shades. Worsteds—Exclusive designs. Both weight and style suitable for fall or winter wear. Priestley's Cravenette, 54 inches wide, both plain and fancy checks. Figured Lustras, popular lines and popular prices. Box Cloths, Serges, Etamines, Fancy Tweeds, Granite Cloths, Vicunas, etc.

BUY YOUR DRESS GOODS EARLY!

Miss Fisher will be in our Dressmaking Rooms this week. You had better reserve a place, even if you select your material for a gown later on.

DRUGGIST.

BREEDERS OF STOCK.

Their Day at Toronto Exhibition Was

A Mixed Success.
Toronto, Sept. 6.—Stock breeders' day yesterday at the Exhibition was greeted by another large crowd. The attendance keeps up most remarkably well, and about 60,000 passed into the grounds. The day was cool and sometimes inclined to be cloudy, and was free from accident, excepting a mishap to one of the trappe performers. The management is very considerably ahead of last year's receipts, but can give no definite information.
At the directors' luncheon there was a representative gathering of breeders of live stock and the speakers in this great interest were W. Harland Smith, vice-president of the Shorthorn Breeders' association; J. W. E. Wellington, Col. David Macrae of Guelph, J. M. Garthouse, D. Derbyshire, M. P., and Alex. McNeill, Government fruit inspector.
This is Farmers' Day, and preparations have been made for a repetition of the enormous attendance of Monday.
The president and directors of the Canadian National Exhibition have decided to give a special dinner for horsemen to-morrow, Thursday evening, at 7.15 in the directors' dining room to meet Hon. Nelson McIntosh, Provincial Minister of Agriculture, and to discuss the horse interests of the country.
There was lots of excitement in the morning, created by the sheep dogs trials in front of the grand stand. Four dogs took part, and gave the sheep a lively time. The trials will go on again to-day.

PRIVATE SALE.

Mrs. G. A. Thompson is leaving Ingersoll and will offer at private sale her household furniture which will be open for inspection to the public from the 6th to the 11th of this month. Persons wishing to inspect the above goods may call at any time between the hours of 9 a.m. and 5 p.m. each day.

BEAUTIFUL LAKE OF BAYS.

An ideal place for a vacation and as a health resort where perfect immunity from hay fever may be relied upon. Situated 1,000 feet above the sea level. For tickets and full information call at the Grand Trunk office, E. J. Guthrie, ticket agent.

FARMERS RESOLUTE

Association Meets in Toronto
and Passes On Legislators.

WANT NO TARIFF INCREASE

Ontario Government Will Be Asked to Adopt a Royalty on Mineral Products and Continue Timber Policy to Conserve Forest Wealth—Condemn the Indemnity Increases—Adopt Many Resolutions.

Toronto, Sept. 6.—Representative farmers from all sections of the Province gathered yesterday at Victoria Hall to attend the fourth annual convention of the Farmers' Association and gave their views of various political phases that are affecting this country and, indirectly, the farmer. In the absence of the president, J. Locke Wilson, who is at present in the Northwest, Vice-President L. E. Annis presided. Discussion of resolutions in their crude form, to be drafted later, occupied the time of the association at its morning session.

Chief of all matters touched upon by the association was a denunciation of the sectional indemnity grab at Ottawa. This was accorded unanimous condemnation. The subject was introduced by W. C. Good of Brant County, who spoke of the pension grab as being an indication that the servants of the people were becoming their masters. Mr. Beam of Welland stated that no Parliament should have the power to increase the indemnity of its members. Others who spoke on the subject of the House in a movement looking to a return to the old indemnity and a rescinding of the recent bill. Ontario's electric power problem was briefly discussed. It was pointed out that the waterfalls of the Province can be made to develop enough power to operate all factories and all railways; that these powers are practically all in the hands of a few corporations; and that the public interest imperatively demands that the rates which these corporations may charge for the power supplied by them be regulated by public authority. At the end of the discussion a resolution was adopted calling upon Premier Whitney to take steps to regulate these rates.

Toucing upon the tariff question, the association went on record as being opposed to any increase in the rates. Reductions were advocated if any change at all were made. Preference in trade with Great Britain met with approval. Summed up, the sense of the discussion was to the effect that the association should appear before the tariff commission to oppose any increase in the tariff, to endorse British preference and adequate tariff reduction with any other country that would do likewise.

On the subject of railway taxation, Mr. Beam of Welland began the discussion with a motion to the effect that the association endorse the principles of the Pettyplace bill, with provision for 15 per cent of the revenue derived under it going to the municipalities and 15 per cent to the Province. Another resolution, dealing with railway subsidies, expressed satisfaction that the late session at Ottawa and Toronto had passed without any railway subsidies, and expressed the hope that this marked the end of an inequitable system.

A resolution was adopted asking the Ontario Government to take legislation providing for the payment to the Provincial Treasury of a royalty on the mineral output of the Province.

The Government will also be asked to conserve our forest wealth that only such timber as is matured shall be taken, and a continuous supply thus insured.

GREGG FAMILY REUNION

HELD AT THE FAMILY OF MR. AND MRS. RANSOM HARRIS, SALTFOED.

A pleasing family gathering was held September 1st, at the beautiful country home of Mr. and Mrs. Ransom Harris, at Saltford, it being the reunion of the Gregg family. Connections to the number of one hundred and twenty were gathered from Salt St. Marie, Ont., Clifford, Liatowel, Harbor Beach, Mich., Lynn, Crampton, Ilickon, Kintore, Ingersoll and the more immediate neighborhood. After the good things which had been provided were partaken of and duly enjoyed, games and social intercourse were indulged in by both young and old. During the afternoon a photograph of the company was taken. Grouped conspicuously in the centre were the brothers and sisters, George of Clifford, Henry and Samuel of Ingersoll, John of Saltford, Mrs. Harris and Mrs. Piper of Saltford, and Mrs. Young of Salt St. Marie. The late Mrs. Richard Wilson was also a sister. In the early evening the party dispersed, delighted with the hospitality of Mr. and Mrs. Harris and the pleasures of renewed good comradeship.

ANOTHER SUCCESSFUL STUDENT.

We are informed by Principal Bridson that Leo Law, who wrote on the junior teachers' examination in July and failed by a few marks, is entitled to matriculation standing on the marks he scored. This is a very creditable record as this student covered the work in three years while the average time is four years after passing the High School entrance examination.

ATTENDED CONVENTION

OF CHIEF CONSTABLES HELD AT TORONTO—SOCIETY FORMED.

Chief of Police Wright was in Toronto yesterday attending the convention called by Col. Sherwood of the Dominion Police, Ottawa, and the chiefs of police of Toronto and Montreal to organize a Chief Constables' Association for the Dominion. The convention opened at eleven o'clock in the morning and it was unanimously decided to form an association, having for its object the promotion of closer relations among the police officials of Canada, and the taking of such measures as will tend to suppress crime and to improve the police system of Canada. A committee was named to draft a constitution and bylaws.

Chief of Police Graset was in the kind support which they have tendered towards us in former years, by giving of their cash and kind to our collectors when visited by them.

APPOINTMENT NOT MADE YET.

Toronto, Sept. 5.—Premier Whitney and the Hon. W. J. Hanna gave the statement that Dr. Snider of Waterford has been appointed superintendent of the police system of Canada. "Not one step has been taken toward making the appointment," said the Premier.

Two Killed and 22 Hurt.

Denver, Sept. 6.—Word reached here early yesterday that a Burlington freight train ran into the second section of a passenger train at Brush, about 35 miles from Denver. A colored cook and one passenger were killed, and 22 passengers were more or less injured.

Shedden Carters Strike.

Montreal, Sept. 6.—Following the lead of the Dominion Transport Laborers, the Shedden Cartage Co. men, to the number of about 200, went on strike on Saturday, and yesterday only about 75 are at work. They wanted \$1.75 a day instead of \$1.50 as at present.

Hon. S. N. Parent Resigns.

Quebec, Sept. 6.—Hon. S. N. Parent has sent his resignation as member of the Legislative Assembly, and last evening, at a meeting of the City Council, he resigned his office as Mayor of Quebec. This is in order to take his place in the Railway Commission.

THE WEATHER.

Observatory, Toronto, Ont., Sept. 5.—The weather has been showery today from the Georgian Bay region to the Maritime Provinces, and a few scattered showers have also occurred in British Columbia, Alberta and Saskatchewan, but the weather throughout the west generally has been fine.
Probabilities.—Lower Lakes and Georgian Bay: Moderate to fresh westerly winds; fair, not much change in temperature.

WILL DRILL FOR OIL AT ONCE

Thirty Thousand Acres Leased by the Lake Erie Gas and Oil Co.—Land Between Pt. Burwell and Pt. Stanley.

St. Thomas, September 5.—Thirty thousand acres of land have been leased by the Lake Erie Gas and Oil Company and includes all the land in the first and second concessions of Yarmouth, Mulholland and Bayham, between Port Stanley and Pt. Burwell.

Today J. Sohn, the American representative of the company, contracted with Leamington parties to sink three wells immediately, the agreement being to bore until Medina sand is struck, the limit being 3,000 feet.

The lands secured in the vicinity of Port Stanley are those of Messrs. Styles, Pollock, Minihick and Begg, and if the vein is struck in the three experimental wells operations will be commenced in the vicinity of the Port and continued east to Pt. Burwell.

The promoters appear to have lots of money and in a moment of weakness the gentleman from Pennsylvania tells that the company prospecting is a subsidiary one to the Standard Oil Company.

The development of the gas and oil industry in this district means considerable for these two villages. As there is a certainty of striking a flow of gas in the neighborhood of Port Stanley the villagers look to the results as a big boom for the lakeside hamlet.

BROKE HIS ARM.

Reg. Richardson, son of Mr. Harry Richardson, had the misfortune to fall from the gymnasium at the Collegiate Institute yesterday, and broke his left arm at the wrist.

S. A. NOTES.

The Jones Sisters' special singing meetings are attracting good and appreciative crowds both on the street and in the barracks. On Sunday the crowds were considerably above the average. The sisters will continue with us and appear on the street every night.

The Army's annual harvest home festival is now on and we trust that the public of Ingersoll and surrounding country will continue to show the kind support which they have tendered towards us in former years, by giving of their cash and kind to our collectors when visited by them.

WOODSTOCK OPERA HOUSE.

The most successful musical production of the present day stage is "San Toy." Its popularity surpasses that of "The Geisha," "A Runaway Girl," "Circus Girl," "Pinafore," or "Mikado." This book is by Edward Morton and music by Sydney Jones. It is in two acts and describes the land of sunshine and flowers, it is best described as a romantic comic opera. There is the night emperor with all his court beauties arrayed in silks and satins; there is the learned mandarin, Yen How, and his six little wives, who are all concerned in a love story. The result is a happy ending for all concerned.

Manager John C. Fisher, noted for his lavish productions, has embodied in this presentation all that is best to bring out the beauties of this musical play, which will appear in Woodstock, Friday, Sept. 8th.

FOR SALE.

J. S. Smith, who is leaving town, offers for sale his two-story solid brick residence on King street east. Modern improvements, in good repair, and built only 16 years. A fine location. Reasonable price and terms for quick sale.

\$100 REWARD, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of particulars. Address, F. J. CHENEY & CO., Toledo, O.

Sold by druggists, 75c.
Take Hall's Family Pills for constipation.

Use "MAPLE LEAF" Canned Salmon. The Best Packed.

LITTLE LOCALS.

Miss Annie Creley of Woodstock is the guest of Mrs. Fleischer.

Miss Mary Cornell and Miss Alma Henderson spent the holidays with friends in Stratford.

The harbors of the town have decided to continue the Thursday half-holiday during September.

Mr. S. J. Kay of Toronto is spending a few days with his cousins, the Misses Brown, George street.

Rev. Mr. and Mrs. N. W. Harrington of the State of Maine are guests of Mr. and Mrs. Chas. F. Fleischer.

S. A. Ord, lately in the employ of the Ingersoll Packing Co., left for his home in New Brunswick this morning.

Private sale of household furniture, Thursday and Friday, Sept. 7 and 8. Mrs. W. A. Leigh, corner of Hall and Concession streets.

Mr. L. G. Henderson returned last night from a ten weeks' trip to England, Germany, France and Italy in the interests of the Noxon Company.

Mr. Wm. Lillywhite, jr., entertained a few of his friends to a fine selection of music on his phonograph at the residence of Fred G. Henderson, corner of King and Carroll sts., last evening, which was greatly enjoyed by all.

The Model School opening took place at two o'clock yesterday afternoon with seventeen pupils in attendance. The pupils were addressed by Principal Bridson of the Collegiate Institute, Principal Melancton of the Central School and Inspector Carlyle.

It is now expected that the proposition of the G. T. R. for a subway to replace the Finkle street bridge at Woodstock will be accepted. The plan for the bridge girde, as prepared by the city engineer, shows that the roadway would hardly be passable so steep is the incline. The council will take action on the committee's report at the next meeting.

On Saturday night between 8 and 9 o'clock an accident occurred on the C. P. R. near Hyde Park, when Mr. James Volden, lineman of the C. P. R., and his daughter-in-law, Mrs. William Dean of Henshew were instantly killed, while riding in a motor-velocipede that he used in his daily occupation. They were struck by a light engine that was backing down at a rapid rate, the car and its occupants being thrown some distance from the track. Mr. Volden was known to a number of Ingersoll people.

Brantford Expressor: A somewhat serious accident occurred on Brant avenue last evening in which Miss Salisbury of the St. George road had her leg broken. Accompanied by Mr. Arnold Muir, also of the St. George Road, Miss Salisbury was driving home in a buggy from the Labor Day demonstration. The horse, which was a spirited animal, became frightened at an object on the side of the avenue, backing the buggy in front of a Paris car. The big car hit the buggy fairly in the centre, throwing Miss Salisbury heavily to the ground. She was afterwards removed sufficiently to proceed home. A bad wound was inflicted in her head and she was badly shaken up.

BOARD OF TRADE.

The regular meeting of the Board of Trade tonight in the Council Chamber at 8 o'clock. A full attendance of members is urgently requested.

A REMEDY WITHOUT A PEER.

"I find Chamberlain's Stomach and Liver Tablets more beneficial than any other remedy I ever used for stomach trouble," says J. P. Klotz, of Edina, Mo. For any disorder of the stomach, biliousness or constipation, these Tablets are without a peer. For sale by all druggists.
