## REPORT OF W. F. M. SOCIETY.

The W. F. M. S. have held their meetings regularly during the year with an average attendance of 10 members. The roll call remains the same as past few years, viz., "15," and though we have no increase of numbers to report, yet the contribution has increased from \$35.50 to \$39.25, while the bale of clothing for Mission Schools in the North West was valued at \$35. This Society wishes to express its appreciation of the aid given by "Scattered Helpers" in the congregation, who, though not able to attend the regular meetings, have by their contributions, both to finances and bale of goods, greatly assisted the work and encouraged the workers.
