During termorcow evening the Segher's Council. Y.M.I. will present Archbishop-election with a congratulatory address on his appointment and on Friday evening the congregation will also present an address to His Grace together with a

handsome gold chain and cross. The fair should be patronized by all who enjoy a real good time. I was seriously afflicted with a cough

for several years, and last fall had a more severe cough than ever before. I have used many remedies without receiving much relief, and being Tecommended to try a bottle of Chamberlain's Cough Remedy, by a friend, who, knowing me to be a poor widow, gave it to me, I tried it, and with the most gratifying results. The first bottle refleved me very much and the second bottle has absolutely cured me. I have not had as good health for twenty years. Respect-
