THE NEW WESTMINSTER CHALLENGE RECEIVED

Ask Trustees of the Minto Cup to Fix Dates and Place of the Matches.

Ottawa, Oct. 24.—P. D. Ross, acting trustee of the Minto Cup, received to-day a challenge from the secretary of the New Westminster Lacrosse Club, British Columbia, to play the Shamrocks, who are now the holders of the Minto Cup.

The Shamrocks defeated the Y. M. C. A. Club, of Vancouver, on October 12th, and the challenge received to-day from the New Westminster Club is dated October 16th, four days later. The New Westminster team has held the championship of British Columbia for five consecutive seasons, and are entitled to challenge for the cup.

The trustees are asked to fix a date for the matches, and the place where they are to be played. It is suggested that the date be not later than August, 1902, and that owing to the distance and expense of travelling from British Columbia, Winnipeg, Manitoba, or some place in British Columbia be selected as a point where the match be played.

GOING HOME TO CHINA.

Wealthiest Man in New York's Chinatown Sails For Canton on Monday.

New York, Oct. 23.—Lee Chouy, perhaps the wealthiest man in New York's Chinatown, is going back to China to live his old age in luxury, which can be purchased, by the fortune he has amassed in this city, says the Tribune. He will leave next Monday for Canton with his wife and three children, born in this city. In China he has two other wives, whom he has not seen for five years. His mother, now 84 years old, is in poor health, and Lee wants to see her again before she dies.

The fortune which Lee Chouy is taking back to China is variously estimated at from \$125,000 to \$150,000. He got his start in Canada when the Canadian Pacific railway was being built, by carrying out some heavy contracts. Then he went to Portland, Ore., and opened a small store. A number of years ago he came to New York and founded a Chinese trading firm, which has become one of the largest in the Chinese quarter, and has a branch in Boston. He is 60 years old, and while his health is good he is afraid of dying in a foreign land and will not come back if he can help it.
