lay stiffly in my grasp for the fraction of and ambitious man to keep the diamonds in his own pocket, and let the document temain in mine.

It was astonishis c, too, that in-getting into the train at the last mament I He had also assented when I had inshould have chosen the one compartment quired if one of the tall men was dark forgiven. I was horribly unhappy, just But I could do nothing but anathematize him in French and curtail his tip.

man I could learn where they had gone, I might yet stand a chance of getting back the treaty. I had brought with me from home a leaded revolver, werned to die so by Lord Cholmondeley; and I was desperate enough now to use it quickly if I had the chance and the temptation. If was beginning to be very hungry, but that was a detail of no importance. I would eat when I had dene my best to serve Juliette and Lord Reckworth (I'm afraid that row I placed her first in my lost position before anyone else had a chance to step in and render it untenable, I should only be obliged presently to make matters worse—if they could be worse.

I had given at the Elysee Palace hotel. This seemed best, as the manager had sent ame to Monsieur Dubois, and complications might arise if I became Noel Brent instead of James Guest. Besides, as there was much to conceul, James Guest seemed the right man for the occasion.

I looked about in the railway station

I looked about in the railway station

I said that I had reason to believe I

that the cabman who had driven the party away had now returned to the stat size to the stat size and I to France to-day. Of course, she could party away had now returned to the stat size to the stat size and I to France to-day. Of course, she could not have known at what hotel I meant to with his vehicle, and if so he would be toushed on points which in my opin- to stop, and even if she had she would point him out to me. I considered that thus far I was in that they had nothing to do with the case. He looked at me sharply, but did not urge sie to openness with him as I had actually turned up, having driven into the station only ten minutes ago. I gave the porter a couple of francs more, and followed him to question the driver.

He was a dull and anyly follow like they had nothing to do with the was something, and nothing to do with the wains to go to another. Still, the very fact that, after what had passed in the morning, she was willing to breathe the air of Paris with me was something. She must have known that we might met, and she had been willing to run the risk.

He was a dull and anyly follow like

The detective, still with rather an odd for three English friends of mine whom was to have met at the railway station of the whole I was pleased with him. He looked like a person who knew his best, and could do it with any man, hem. Now I did not even know where hey had gone, but if the fares he was to the Foreign Secretary and the danger in the fares he was to the Foreign Secretary and the danger in the fares he was to the Foreign Secretary and the danger in the fares he was to the Foreign Secretary and the danger in the fares he was to the fares he was to the Foreign Secretary and the danger in the fares he was to the Foreign Secretary and the danger in the fares he was to contrivances and beyond the remembered some thing which Miss Sitgreaves had said to the ordinary run of medical practice a greater number than this have treated the reach of most of our fishermen.
