COULON WILL BOX MOORE AT 116 POUNDS

Champion of Beniam Weight Willing for Bout Stanley Ketchell is After Tom Thomas.

Johnny Coulon, who insists he is the bantam champion, says he will take Pat Moore on at 116 pounds ringside. Jimmy Walsh of Boston, who is regarded by many good judges as the real champion in this class, is also anxious to try conclusions with the seventeen-year-old Quaker. Jimmy DeBorja, Moore's manager, is not in a hurry to make these matches and intends to pit the clever youngster against some of the lesser lights for the present.

Stanley Ketchell, who has made up his mind to go to England in search of a match with Tom Thomas, the new middleweight champion, has refused an offer by cable of \$40,000 to fight Burns and the ancient Fitzsimmons in Australia. Ketchell, who will sail for Europe shortly, says he wants to beat Thomas first. Then he will be ready to make a match with Burns to take place either in London or Sydney.

NO TRUTH IN FIGHT REPORT SAN FRANCISCO, Cal., Jan. 26.—Jack Gleason today said that there was no foundation for the rumor that the Jeffries-Johnson fight might be called off because he and Rickard did not agree as to where the contest should be held. Gleason declared that if Rickard were not willing that the contest be held in San Francisco, Rickard could retire from the management.

ONE OPPRESSOR FOLLOWS AN OTHER WASHINGTON, Jan. 26.—Notwithstanding his protestations to the contrary, dispatches received at the State Department from Managua, indicate that President Madrid, is following closely in the footsteps of his predecessor, Zelaya, in applying oppressive measures to stamp out opposition to his rule. A dispatch received today says that seven additional arrests were made yesterday and that the imprisonment of the conservative citizens of Nicaragua is continuing. Troops are constantly being equipped and started for the front to meet Estrada's advancing army.

SHEE DESIRES BONUS FOR HOLMER'S ENTRANCE

Manager of Speedy Marathoner Would Place Him in Toronto Race—"AT"

TORONTO, Ont., Jan. 26.—Edgar Shee of Quebec, manager of Hans Holmer, has written to Messrs. Flanagan and Eck expressing a desire to enter his runner in the Canadian Derby at Riverdale rink February 2, but he demands a bonus, win or lose, such as Pat Powers was obliged to pay Tom Longboat to get the Indian to run in the New York races. Holmer will get no bonus. He will have to take his chances of getting the money like the rest of the entrants. Shrub, Sellen, Crozier, New York; the Hawk, Simpson, Meadows, Butlers, the English professional and others have asked for no bonuses, and would not get them if they did.

Practically the same field will start in this race as the finest ever held at Madison Square a few weeks hence and the Powers-Pollock combination absolutely refuses to give anybody a bonus. The money is ready for runners in the Riverdale rink event, and the fastest men will get it.

PLAYERS WILL BE FINED

Hockey Players Will Have to Pay Up—No Sending Men to the Bench.

MONTREAL, Jan. 26.—A movement is on foot in the National Hockey Association to make some changes in the rules which will provide for a player being fined instead of enjoying a few minutes' compulsory rest on the penalty bench.

Too much leniency prevails at present. For intentionally hitting an opponent and making a nasty gash, what does the unfair player get? Practically nothing. To commit a foul is considered rather clever play by some who desire a rest, and are satisfied enough to leave their team mates struggling against uneven odds. What does it matter to them if their presence would turn the tide of victory? They do not care, and match after match resort to dirty tactics to get a rest.

If fines are imposed it will go a long way to improving hockey for those players who make a habit of maiming or wrecking the game. It is the only way to hold their pockets very tight. Once put the screw on the finances of the player instead of banishing him to the penalty bench, improved hockey will be the result. There can be no doubt that the present system requires a radical change, for the day has long passed since any player considered it a disgrace to be penalized.

It is proposed change does materialize, let us hope that there will be a minimum starting at least a few dollars. Another stipulation which should be made is that the club to which the offending player belongs should not be called upon to pay the fine, but that the offender should reach down into his own pockets. This appears the only way to bring about better sportsmanship and cleaner games.

JOHNSON HAS BEEN SERVED WITH SUMMONS

Must Answer Charge of Speeding His Auto—A Conc. in the Par. Os.

TORONTO, Jan. 26.—As usual, Jack Johnson, the heavyweight pugilist champion, who is starting the show at the Star Theatre this week, was doing his runner. Hardy had been arrested at the theatre when he was served with a summons to appear at Bradford court on the charge of speeding with his auto last August.

"You ought to be ashamed of yourself," said Johnson to the officer. "Just think of me being arrested for something that happened six months ago."

"You're not," replied the officer. "Only summoned."

"I'll be there," concluded Jack, who quietly folded up the paper and slipped it into his pocket, as he has done with other papers many times before.

Johnson is stopping at the Grand Central. Early this morning the black champion took possession of the paper and, together with Fred Simpson, the Gibraltar runner, who is here for Tom Eck's race next week, Tom Eck himself, Tom Flanagan, and Mrs. Johnson at the piano, held a concert. Simpson delighted the big black so much with his interpretations of southern songs that he will hold another concert to-night after supper.

LANGFORD PLANS TO BOX JEANETTE IN PARIS

Sam Langford has made arrangements to arrive in Paris, France, about March 1. His manager says he will then accept an offer of a \$5,000 guarantee to fight Joe Jeannette and also accept a challenge from Sam McCoy to box twenty rounds for a \$1,000 side bet and the largest purse offered.

Langford will fight Jim Flynn at Los Angeles on February 8 and will come east immediately after that affair to sail for the other side.

TORONTO, Jan. 26.—A couple of hundred Toronto people who go over to Buffalo Saturday to see Tait meet Bohag and Golding met Leiblich in the 14th Arrondissement.

M. G. TEED AGAIN HEAD OF BARRISTERS' SOCIETY

Annual Meeting Held at Fredrickton

To Secure Ficturo of Chief Justice Ritchie Premier Announces That Justice Act Will Come in Force in Spring

FREDRICKTON, Jan. 27.—The annual meeting of the New Brunswick Bar Society was held here last night. The secretary, T. C. Allen, presented his annual report, showing the financial condition of the society to be in excellent shape, the surplus on hand amounting to \$700.

A committee was appointed to solicit subscriptions from members of the society to procure the likeness of Chief Justice Ritchie, which will cost about \$500 and will be placed on the court room wall with the other chief justices.

The society elected officers for the ensuing year as follows: President, M. G. Teed; vice-president, R. W. Hewson; secretary, T. C. Allen; executive, J. E. M. Baxter, A. R. Blipp, J. W. McCready, J. D. Phelan, A. B. Connell, A. O. Earle, T. J. Carter.

Mr. McCready gave notice of motion that in future the fee for admission to the bar be placed at \$25.

"The motion that those who passed the matriculation examination into U. N. B. Mount Allison and St. Joseph be entitled to a three years' course without further examination was voted down."

A resolution was passed that the provincial institutions and Dalhousie be placed on the same basis as Kings College was left to the consideration of the council of the society.

The attorney general said that the Judicature Act would be brought into effect in the spring or early summer.

MARRIED IN THE MAKING.

Have you ever noticed that half the troubles of the young housewife are of her own seeking out? She will take the nice little bit of cold roast beef or mutton, hash it, mince it or stew it, spend as much as two hours in turning it into a tough, colorless, over-salted or over-peppered dish. She is anxious all the time she is cooking it, and bites his tongue in an attempt to repress the wish that she had left the meat cold, and merely set it on a platter with a sprig or two of parsley as a garnish, and a bottle of H. P. Sauce as a relish.

But young housewives are learning wisdom, hundreds and thousands of them.

H. P. Sauce sells in bigger and bigger quantities every week. Cold meat is coming back to its honored place in the home of the homely little family—and not only so, but the housewives have discovered that when the joint can no longer be used for a "one-night" stand, Jennings says he will play the Belleville theatre to the hilt if he gets the champion.

When you must hash, or mince, or stew, just see for yourself what difference is wrought to the dish by the addition of a teaspoonful of this delicious Sauce, but be sure it is H. P.

WHO SHOULD PAY FOR ACCIDENTAL DEATHS?

Different Opinions Expressed at Annual Meeting of Civic Federation.

BOSTON, Mass., Jan. 26.—The object of "Industrial Accidents" was discussed tonight at the annual meeting of the Civic Federation of New England.

The meeting was presided over by President Lucius Tuttle of the Boston and Main Railway, who said: "Inasmuch as the fruits of industry are shared by everybody, so should the cost of industrial accidents be shared by everybody."

Both Lowell, former mayor of New York, said: "The employer's liability insurance must be superseded by a workmen's compensation act."

John Mitchell, the labor leader, declared: "Society owes it to the laborer to fully reimburse him for injuries or his family for his death."

Augusta, Me., Jan. 26.—Arthur Cole, of Biddeford, had the better in the first bout and Tommy Bergin of Lewiston, excelled in the second bout in the two six-round bouts in which the men participated at City Hall to-night under the auspices of the Augusta Social and Athletic Association.

LIBERALS CAN COUNT ON THE NATIONALISTS

Says T. P. O'Connor—Irish Vote as Good as English One—Details Stories of American Dealings.

LONDON, Jan. 26.—T. P. O'Connor, president of the United Irish League of Great Britain, in speaking of the next parliament and the policy and influence of the Nationalists, today said:

"It is absurd to contend that the Liberal Party cannot hold office with a considerable majority, because a portion of that majority must be Nationalist. Nationalist members of the House of Commons have helped us in 1885 and Irish members of Ulster's parliament have helped to make Conservative ministries several times. Is an Irish vote

FOREIGN CRIMINALS ARE UP FOR TRIAL

Buried Alive by Grain, Narrow Escape

NEW YORK, Jan. 26.—What is believed to be the most important prosecution of foreign criminals ever undertaken by the United States Government began today, when eight of the sixteen Italians arrested recently by secret service men were placed on trial here on the criminal branch of the United States Circuit Court, charged with counterfeiting.

The government expects to prove that several of the men were leaders in a conspiracy seated in many cities and even the plants for the manufacture of counterfeit American notes were maintained in Sicily and Italy.

PORTLAND, Me., Jan. 26.—Thomas O'Donnell was buried alive today to a depth of four feet by grain being poured into the hold of the S. S. Dominion and his life was saved by the narrowest margin. It was fully half an hour after he had been dug from the grain before he showed signs of consciousness. He was employed as a trimmer and, if his cries had not been heard by fellow workmen, he probably would have been reported as missing until his body was discovered on the other side of the Atlantic.

PHILADELPHIA, Pa., Jan. 26.—Henry Ruetschlin, a well known wholesale grocer and president of the Wholesale National Bank, had a desperate encounter with a man who demanded \$500 at the point of a pistol tonight in his home. The man rang the bell of the banker's house, was admitted and with a revolver in his hand, he rushed upon the banker, who, attracted by the noise, came to meet him.

"Five hundred dollars, or your life!" exclaimed the intruder. Ruetschlin, who is powerfully built, grappled with him and when he attempted to escape, held him until the police arrived. At the police station he said he was Steven Brown, of New York, who, falling to secure work, was driven to desperation by hunger.

INDIANAPOLIS, Ind., Jan. 26.—"Stand or fall together," the slogan of the United Mine Workers of North America, was at the close of a discussion of the coal miners' strike of the bituminous coal miners.

"In the speeches of the union officials industrially applauded by a thousand delegates, it was declared that the bituminous miners were determined to stand or fall together, and that no one district organization should pull the uniform wage card together and that if a strike became inevitable, in a district, all should strike. The basic principle of the union was to be negotiated next week at Toledo.

NEW YORK, Jan. 26.—Theodore J. Denison, the astounded magician, who is accused of murdering little Robert Lomas and Arthur Stanley, has a massed hatred of all children, according to a statement given out by the police. Denison was arraigned in court today and his preliminary hearing was postponed for a week, at the request of the authorities, who desire time for further investigations.

ENGLAND LOSES AGED PROPHET

At One Time Held a Curacy in Ontario—Seven Years to Armageddon.

LONDON, Jan. 26.—England has just lost, at the age of 74, one of her prophets, the Rev. Michael P. Baxter, who was a member of the church of England, but his only employment in the church was a curacy at Onondaga, in Canada, which he held for a short time. He returned to England and took up the subjects of prophetic interpretation and faith-healing.

The best of the Revelation, the number 66, the ten kingdoms, were no mystery to him. Napoleon and Napoleon's family were his chief subjects, and in successive editions of his books and newspapers he identified the best of the Revelation with the Prince Imperial, Napoleon III, France Jerome Bonaparte, finally leaving the choice between Prince Victor and Louis Bonaparte. The end of this age was to be reached by Christ's descent at the battle of Armageddon on April 24, 1917, or May 2, 1912.

He founded a very successful religious paper, the Christian (1891-1910) ran a milk business and a faith-healing establishment, founded a mission in a poor district in London to provide food and shelter for the distressed and was particularly interested in the distribution of the Gospel in Continental cities.
