Eleven years ago she was married and settled at South Berwick, and soon after united with the Baptist church, under the leadership of a little girl, Mrs. Woodworth was saintly in her life, a lover of Christ, his people and his house.

BRAYSON.—At Hantsport, Sept. 22nd, after a long and painful sickness, cheerfully borne, Maggie, beloved wife of Irvin Bryson, aged 35 years. The deceased was baptised into the fellowship of the Hantsport church by the Rev. J. C. Bleakney over twenty years ago and has ever since been a worthy member, living a quiet, unassuming christian life, full of cheerfulness to the last and ready to go home only when it became certain that she could not remain longer.

When the hour came she cheerfully relinquished all on earth and went to be with Christ, leaving a large circle of relatives and friends to mourn their loss, but to look forward to the not far distant future when they should meet their loved one again.

Rev. J. M. Fisher, Methodist, assisted at the funeral services, which were held in a large, attractive hall, how great was the esteem in which our dear sister and her people are held in the community. The prayers and sympathies of the christian churches are with the bereaved in their sorrow.

J. W. MANNING, Sec. Treas. F. M. B. St. John, Oct. 1.

It may be interesting to the friends of missions to know that there are sixty-eight persons who have pledged \$5 a year for the support of a Foreign Missionary—almost all of them for the support of Mr. Gullison's work. These pledges are not for one year only but are to be continued from year to year as long as Mr. Gullison continues to serve the Board, or as long as the friends are able to render their pledges. Eighteen have already paid the amounts which they pledged; one has paid in part; they are redeemed in good time. There are others who would like to join the sixty-eight. We ought to have 100 names—200 would be better. The missionaries expect to sail about the 31st. Expenses are heavy just now. Every little helps, and the smallest offerings are gratefully received.

Yours in the work, J. W. MANNING, Sec. Treas.

HORN-FLY VS. POTATO BUG. The horn-fly like the potato bug has come to stay. Intelligent farmers do not smear the potato leaves with filthy greasy mixtures to keep off the bugs, no, they use something to kill them, so with the horn-fly, the sensible up-to-date farmer does not cover his cattle with kerosene or axle grease, because he knows these things will not kill a single fly while they taint the milk and injure the health of the animal, but they do use Shives' Insect Powder which kills the flies and is harmless to the animals. Be sure you get from your merchant or druggist genuine Shives' Powder, it is cheap and sure. It kills the flies every time. Sold only in cans with dropper attached. Look for the name on the label. Sample can sent 1 cent in fee. Post Paid. J. W. MANCHESTER & CO., Veterinary Surgeons, St. John, N. B. Wholesale Agents, T. B. Barker & Son, 8, McMillan, Canadian Drug Co., W. E.
