TREASURY BILLS

tured in London June 1, St. John clearings for the week ending August 12th amount to \$1,551, and for the corresponding week last year \$1,377,188. by renewal and 1-4 by

cash payment.

The announcement is now made that the city of Prince Rupert has protected, by three-quarters renewal and one-quarter cash payment, their protected, by three-quarters renewal and one-quarter cash payment, their treasury bills aggregating £281,000, that matured in London on the 1st for the corresponding week last year.

June.

It will be recalled that the action of imperial treasury board at the last moment in declining permission to the city to renew the whole or any portion of the loan for a longe that the ast months, caused a temporary default. Little discredit has resulted to the city, as the facts in the case are well known both in London where the bills matured and in this country. The delay since the first June was caused through the difficulty in getting the consent of certain trustee holders.

Sunnipeg.

Winnipeg. Winnipeg. 12.—Bank clearings for the week ended today were \$14.

Ottawa.

Canada feels that it has some claim to pride in the fact that all provincial and municipal obligations affoat in London at the outbreak of war, have been taken care of. The main portion of such obligations has indeed been paid off and as also all integers. een paid off and as also all interest been paid off and as also all interest obligations of a similar nature have been protected. Canada's credit in London remains deservedly high.

Statistical Canada's credit in parisons are as follows: This week, \$34,559,443; avear ago, \$35,959,901.
