

FAST HOCKEY IS PLAYED IN TORONTO AND OTTAWA

QUEBEC, Feb. 2.—(Going into over time in their last three games, the Tecumehs have become known as the overtime specialists of the N. H. A. At the arena Saturday night they were beaten, 3 to 4 by Quebec in 15 minutes extra play. The game was the first N. H. A. fixture in Toronto in which the full complement of seven men was used by the teams. The men found it difficult to break away from the individual rushes and utter lack of team play which characterizes the six man game and consequently the first period was slow and the score 3 to 1 in favor of Quebec. The players bunched and neglected to play their positions. The two remaining periods, however, furnished brilliant hockey and as excellent a game as the profs. have played here this season. There was no scoring in the second period. In the third Quebec made the score 4 to 2 which was followed quickly by the Braves making it 4 to 3. With two minutes to play the Indians tied the score. Without an intermission the teams started in the overtime, the first team to score to be declared winners, according to the N. H. A. rule.

OTTAWA, Feb. 2.—Ottawa took the close game of the season from the Canadiens at the arena last night, winning by 2 goals to 1. The match was the first played under the seven-man game, and play was very fast and close. The checking was hard and close, however, so much so that it was not spectacular hockey and there was little combination of either team. The Canadiens secured a lead of one goal five minutes after the start, on a long shot from Donald Smith's stick. Manager McCreary made a similar defence game. There was no score in the balance of the first, none at all in the second, but in the third Ottawa pressed the play and in four minutes play DeLo on tied the score on a pretty play. A few minutes later the entire Ottawa team rushed to the attack and

GIANTS AND CHICAGO ON WORLD'S TOUR

New York, N. Y., Feb. 1.—Plans were completed today for a world's baseball tour by the New York National and Chicago American baseball clubs next winter. The two teams will start their trip immediately after the world's series in October, and will end it in Dublin, Ireland, on Washington's birthday, 1914, according to present plans. Ted Sullivan, the manager of the White Sox, and personal agent for President Comiskey, held conferences with Manager McGraw, of the Giants, last night and today. After his talk with McGraw today, Sullivan said he was prepared to make the official announcement that the tour would be made by the two teams next winter. Manager McGraw made a similar statement. The two teams will leave San Francisco about Nov. 1, after playing exhibition games in Chicago, Kansas City, Omaha, Denver, Los Angeles and San Francisco. The countries visited will be Hawaii, Japan, China, the Philippines, Australia, Tasmania, New Zealand, Egypt, France, England and Ireland. The players will return to New York about March 1.

STOMACH SOUR? GOT INDIGESTION ALSO?

"Pape's Diapepsin" Will Make Your Disordered Stomach Feel Fine in Five Minutes—Time!

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate, your undigested food, or have a feeling of dizziness, heaviness, fullness, nausea, bad taste in mouth and stomach, headache—this is indigestion. A full case of Pape's Diapepsin costs only fifty cents and will thoroughly cure your out-of-order stomach, and leave sufficient about the house in case some one else in the family may suffer from stomach trouble or indigestion. Ask your pharmacist to show you the formula plainly printed on these fifty-cent cases, then you will understand why dyspeptic trouble of all kinds must go, and why they usually relieve sour, out-of-order stomachs or indigestion in five minutes. Diapepsin is harmless and tastes like candy, though each dose contains powder sufficient to digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; and, what will please you most, is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for biliousness or constipation. This city will have many Diapepsin cranks as some people will call them, but you will be cranky about the splendid stomach preparation, too, if you ever try a little for indigestion or sourst or any other stomach misery. Get some now, this minute, and forever rid yourself of stomach trouble and indigestion.

Lake shot from behind the net, the puck striking Vesina and glancing into the net, that was the last score of the game. The Canadiens tried hard to equalize, but the Ottawa defence was too strong. Play was strenuous throughout and the checking was the chief factor in the success of the Ottawans. Riley Heren and Harry Westwick officiated. The lineup is: Ottawa Goal. Canadiens Vesina. Point. WANDERERS NOSE OUT VICTORY

Montreal, Feb. 2.—Going at top speed from start to finish it was not until within forty-five seconds of the expiration of time that the Wanderers nosed out a three to two victory over Toronto on Saturday night. For the second time this season Odie Cleghorn through one of his brilliant rushes saved overtime being played by securing the odd goal. From the commencement of the play Jack Marshall's band of youngsters became the aggressors. For the first twenty minutes they had all the best of the play leading the winners by a single goal at the first resting period. They tied the score during the third session and were beaten out in the final strides. The return to seven men hockey was not pleasing to the fans. The team: Wanderers. Position. Torontos. MONTREAL WINS MATCH IN NEW YORK

New York, Feb. 2.—The Victoria hockey team of Montreal defeated the Crescent A. C. seven at St. Nicolas rink last night by a score of 5 to 3, in a close battle. The Canadians are without the services of their star player, Russell Hovis. On this account the team from the Dominion was weakened and the line-up was shifted. During the first half the Crescent clearly outplayed their opponents and finished the period in the lead by a score of four to two. In the second half the Canadians got together and the brilliant play of Watt, together with the excellent team work of the visitors gave the Montreal an advantage which carried them through to victory.

MAKES A WORLD'S RECORD

Christiania, Feb. 1.—In the international skating contests here today, Ole Mathiesen, the Norwegian champion, won the 10,000 metres again in world's record time, Mathiesen covered the distance in 17 minutes, 22.6-10 seconds, surpassing by nearly ten seconds the world's record which he established last Saturday. The Russian, Ippolitov, finished second, in 17 minutes 35.5-10 seconds.

CLOSING LETTER.

Furnished by F. B. McCurdy and Co., Members of Montreal Stock Exchange. Montreal, Feb. 1.—Very little alteration took place in the stock market this morning. London came in at almost unchanged prices and manifestly there was nothing very interesting on any of the markets the other side of the Atlantic. The stock which has been attracting the most attention of late is Brazilian. The cable on Brazilian was practically the same as it was yesterday, the tendency of prices being upwards, after the opening sales took place at par here and even a small fraction more was paid. There has been a revival of the rumors on Brazilian during the past few days concerning an additional issue of stock which would give rise to some of the value on Brazilian. The only details mentioned so far were that a new issue of 5,000,000 might be looked for. It was also reported that in anticipation of this issue the market would be bulled to 110 or 115. This statement made it look just a little as though the market would be strengthened by the purpose of strengthening the stock. Brazilian has the advantage of a very wide market but at the same time its enormous capital necessitates an enormous quantity of buying in order to put the price up. However, as already stated, there is more interest in the stock at the moment than in any other on the local market and the turnover from day to day is one of the features of the excitement. Ames Holden which jumped to 25 yesterday was hardly dealt in at all today, 25 was still bid though. An for the first time since it was introduced to sell at 82-1/2 notwithstanding all that is said concerning the issuance of excellent profits. Detroit United was a little on the easy side today at 79-1/2 to 79-3/4. It is assumed that the adverse stands taken by the mayor of Detroit is largely responsible for the prevailing ease. Canadian Cottons common was a strong stock today, selling up to 36-1/2. It being thought that the market will show excellent earnings during the present year. Ottawa Power sold up to 192, very little little after the market closed. It is being very strongly held and the indications are that the market will go higher. F. B. McCURDY & Co.

WAS WEAK AND RUN DOWN. NOT ABLE TO DO HER WORK.

Many women get run down, and are unable to look after their household duties, owing to their nervous system becoming unstrung. Day in and day out they have to go through the same routine of work, sweeping, dusting, cooking, etc. No wonder their work gets on the nerves and they become run down. When a woman gets into this state there is only one thing for her to do, and that is, to get something that will build up her system. For this purpose there is not an equal to Milburn's Heart and Nerve Pills. Their restorative action is felt on every organ and tissue of the body, and in a short time the weakness will give place to strength and vitality, and make life worth living. Mrs. Henry McIntosh, Oliver, N.B., writes: "I would recommend Milburn's Heart and Nerve Pills to anyone who is weak and run down. I was not able to do my work, nor rest at night for four years. WALSH IS A WIZARD AT BOWLING

The bowling fans who were fortunate enough to be at Black's alleys Saturday evening were repeatedly brought to their feet by the classy work shown by Archie Walsh, who rolled the line total of 1045 for his ten frames, an average of 104.5-10. The match was out of the ordinary, as Walsh had two of the best local bowlers opposed to him, viz. H. Sullivan and H. McKean. The score of the highest man on each string was placed against Walsh's and the fact that the composite score of the local boys averaged 87.8 shows that they were hitting the pins some and were forcing the little wizard to travel at a fast clip. Walsh came strong at the finish and tore off two fine strings of 125 and 118 to close with. Walsh's strings, 95, 104, 115, 92, 112, 97, 89, 102, 125, 113-1045. Composite strings, 99, 81, 99, 85, 125, 98, 92, 106, 101, 91-978. McKean's strings, 94, 77, 99, 85, 116, 81, 84, 106, 102, 91-955. Sullivan's strings, 99, 81, 90, 74, 125, 98, 92, 99, 78, 86-918. Walsh will be at the alleys this week and is going to try to beat the alley record of 152 held by himself, and is willing to meet all comers.
