model."
Alice looked eagerly up.
"Please, Mrs. Perry," said she, "tell me what she used to do. Of course I have had and dressed herself with care.

"Well," said Mes. Perry, looking up to the top fringe of the curtains and touching the tips of her fingers reflectively together, "she had a faculty, Dorothy had. She was were like flakes of snow, and we mostly had waffles for supper, with honey and fresh apple-sauce. She always got up at four o'clock of a Monday morning to do the washing. Henry's shirts have never been kept a servant. But Dorothy cleaned and month, and the teas Dorothy got up were the talk of the neighborhood. And there was a 'Sister of Industry Meeting' here that sort of way. I made can't do she work of this farm myself without breaking down my health, and shutting myself out of the world of books and science. I do not once a fortnight, and the 'Singera' Sympothiuk my husband desires such a sacrifice sium' every other Friday. She was a noble-as that——" hearted Christian, Dorothy was! And then ''Of course I don't," said Henry pro

hadn't died so suddenly, poor thing, that she could have beaten any record in the

country!"

"I suppose he's thought of it many a time," said Mrs. Perry, senior. "Bat perhaps he didn't like to allude to it while you was playing on your melodeon and reading your books. Dorothy never got any time to read!"
"But if you'll teach me," pleaded Alice,

"I will do my best to learn."

raid Henry, laughing when she showed him the tray of golden butter that she had shurned, and succeeded in burning her fingers at the ironing fire and reducing her

"I want to be one," said Alice wistfully. She cut up squares of bright-colored calleo into patchwork, she studied the cookery book until her head ached, she caught heavy cold working over butter in the damp dairy-house, and sprained her wrist washing clothes which, after all, looked dim and dirty. She rose early and went to bed late; she counted eggs, mixed up white-

did," she said to herself. "I don't think Henry is quite pleased when I am so busy in the kitchen of an evening that I cannot spare time to come in and hear him read the 'Waverley Novels' aloud. And my feet ached so this morning with the creamskimming, that I couldn's wa k with him to the having ground. But I am doing my duty, and that ought to be reward enough!" That same afternoon, however, poor Alice sick headache, and seek the refuge of he pillow. There Mrs. John Bonney, a cheer-ful little neighbor, found her.

"Sick. are you!" said Mrs. Bonney. "I'm not very well," acknowledged Alice.

the state of the s

ALICE'S MOTHER-IN-LAW.

"She ain't the same sort as your first wife, Henry," said Mrs. Perry, with an omnous closing of her upper lip over the

Mrs. Perry called herself a devout Chrisian. All through the country side she was held in estimation as one of the salt of the earth, comforting beside a sick bed, efficient in a neglected household, and welcome like my husband's first wife." everywhere. And when Alice May came to the old h mestead as her son's second wife, she naturally looked up with reveren-

tical than her ideas of paradise.

reconcile it to her own conscience and her husband's income, she said 'to hire such work done.'"
