

# John Boys Lives; Casualties

Winter Killed—Former Resident  
Lad Also Pay Price—Sergt.  
of Condolence.

action. Private Casey was only nineteen years old on May 20. He was one of the first to respond to the call of the empire and enlisted in September, 1914. He went across with the 53rd Battalion. News of his death came to his family on July 7. He leaves father and mother—Mr. and Mrs. John Casey—and two sisters, Misses Nellie and Margaret.

Springfield Lad Killed.  
Private Walter Douglas Goldrich, one of the 53rd Battalion, who enlisted for overseas service, was killed in action in France on June 3. Word that their son had fallen in the empire's fight was received by his parents, Mr. and Mrs. James Goldrich, a few days ago. Private Goldrich went overseas with the 53rd Canadian Expeditionary Force. He enlisted here but when he was killed he was serving as a member of an upper Canadian unit. He was 28 years of age and had many warm friends in and about the town—every one saddened by news of his death. One of his brothers, Private Oscar Goldrich, went overseas with the 40th Battalion and another, Private Arthur Goldrich, crossed with the 64th. Both are now at the front. The Goldrich case is the second one in which the 53rd Battalion brothers serving in the Canadian forces, have been killed. A week or so ago word was received that Private Cecil L. Smith, son of Mr. and Mrs. Sydney Smith, of Nappan, who have two other sons in khaki, had made the great sacrifice for Canada and the empire.

Unburt Comrade Killed.  
For the third time since he reached the front Pioneer Roy Moffatt, son of Mayor Moffatt and Mrs. Moffatt, Amherst, has seen the comrade at his very side struck down by a German missile while he himself escaped unscathed.

A letter received from Pioneer Moffatt by his parents last week brought word that one of his closest chums in his battalion had been killed by a fragment of German shell while working by his side. Previous letters had told of two similar incidents when Pioneer Moffatt went unburt though the comrade beside him had been killed. So far, the Amherst boy has borne a charmed life and his hosts of Amherst friends will hope that his good fortune will continue until he is home.

In the letter Pioneer Moffatt told of being in good health and the tone of his letter showed that he was in good spirits, too. The pioneer's job is never an easy one and it is very frequently a dangerous one. It is the men who are working between the lines at night that the Canadian boys have shown themselves ready for any kind of work or hazard that has to be faced.

Digby Celebrates.  
Digby, Aug. 8.—Yesterday, the second anniversary of the declaration of war, was very appropriately observed in Digby. The town was decorated with bunting and the commercial vessels and yachts in the harbor presented a very handsome appearance.

A united public religious service was held in the athletic grounds at 10:30 a.m. which was largely attended. The 287th Battalion (American Legion) observed the morning by a flag-raising ceremony and address, presided over by Lieut.-Col. Bullock, O.C., followed by hearty cheering.

The battalion then moved off, under Capt. Logan, to take part in divine service at the baseball park. The unit was viewed by a large number of people, a large number of American tourists in front of the Manhattan Hotel.

In the afternoon sports and a baseball game between a team from the battalion and the town played, the former winning by a score of 10 to 0. In the evening an open air meeting was addressed by Clarence Jamieson, M. P., Lieut.-Col. C. S. Bullock, Rev. Dr. Lythfield, and B. Hovey. His Worship Mayor Haydon presided.

Lieut. L. F. Goodwin, chairman of the sports committee of the battalion, wishes to extend the thanks of the officers, N. C. O.'s and men to those merchants of Digby, St. John and Halifax who donated the prizes.

The success of the sports is due to Lieut. Goodwin.

Battle With Submarine

New York, Aug. 6.—The Italian steamship Re D'Italia, with three American passengers from Genoa, Italy, was chased for seven hours by three submarines while in the Mediterranean, and was saved from capture or destruction by the use of defense guns, mounted, according to the report of her master, Captain Amédée Pincetti, on the arrival of the ship here today. The captain said he believed one of the submarines was hit by one of the shots fired, although his only evidence was the appearance of the column of water which rose in the air where the shell fell.

## SERIOUSLY ILL

To the Editor of The Telegraph.  
Sir—In the Daily Telegraph of July 19 in a report of a meeting of the municipal council, I said I saw a young man in the County Hospital who told me he had a bad cold and was threatened with pneumonia.

The doctor of the hospital informs me that this patient has a severe attack of tuberculosis. The other remarks about hospital patients do not apply to the County Hospital.

Thanking you for the space, I am, yours, etc.,  
St. Martins, Aug. 8.

"So you've joined a golf club?" "Had to do it," replied Mr. Growcher. "The only chance of seeing some of the men I have to do business with is to meet 'em on the golf links."—Washington Star.

INSTEAD OF PAINT

DON'T paint your pretty home this season, but use Velux Creosote Shingle Stains. By so doing, you can keep out all the beauty of the wood. And think of the preservative value. Velux Shingle Stains contain Creosote, the greatest wood preservative known. This means prolonged protection against wind and weather. It therefore means economy.

Velux Creosote Shingle Stains

Half the Cost—Twice the Wear

Velux Creosote Shingle Stains cost about half as much as paint. And they wear much better because they penetrate the wood. They do not evaporate or dry out and of course they cannot peel off. They are very easily applied. You ought to investigate this. We have complete line and we know you will like them. Write us for a sample of wood stained with Velux Creosote Shingle Stain.

## OUR SOLDIERS

### HOME AND ABROAD

St. John friends of Major J. T. McGowan, who went overseas, with the 53rd Battalion, will be pleased to hear that he is now in France in command of a battery of his own, recruited in England. Major McGowan was engaged for a time in instruction work and recently has been at Woolwich undergoing special training. His work in some important competitions held there was most satisfactory and won for him appointment to the command of a British battery, which is now somewhere in France.

57 in Family Enlisted.

"Something like a record was established at the recruiting quarters of the 24th, Kitchener's Own, at Montreal on Tuesday, when a recruit turned up and when he was passed, stated that he was the 57th member of his family to don khaki, he already having fifty-six blood relations either at the front or in Kitchener's army.

The recruit was a Scotchman, H. R. Leith, from Arbroath, Scotland, and a Canadian of a good many years.

Leith said he was 44 years old, and had a son at the front with a Montreal Highland battalion. He had desired to enlist with his son under Lieutenant Colonel Keith, but at that time his wife was very ill and he could not go. Since then Mrs. Leith had died, and now he was determined to go to the front that had called so many of his kith and kin.

Edward Blake's Grandson.

A Toronto paper reports that all of the late Edward Blake's grandsons excepting one, who is physically unfit, are in khaki, and that one of them has recently been killed and another taken prisoner.

Wine Commission.

Sergeant Timothy Leary, who left St. John as a member of the "Fighting 95th," has received his commission and will be a lieutenant in the imperial army. This news reached the city recently in a letter by some of his friends.

Sergeant Leary was one of the first to join the ranks of the 95th. Although an American, he saw the righteousness of the Allied cause and lost no time in enlisting. Since being in the trenches he was wounded in the hand and was, in consequence, for the time incapacitated for trench work. He was then sent to the base and was made commander of the bath house at the front, and held an important position. His good work soon bore fruit and his efficiency received due recognition from his commanding officers.

His many friends in this city, for he had a lot of them, will read with pleasure of his promotion. His advancement since going across, from the Canadian army N. C. O.'s to the imperial force as an officer speaks well for his ability and is a tribute to the regiment with which he trained.

At present, Sergeant Leary is at the Palace hotel Strand, London, where he will be for three months. While in England he will take a special course in qualifying for the commission.

Military Funeral.

Private Alexander Wilson, who died in the military hospital here, a member of the 4th Pioneer Battalion, was buried Friday morning with full military honors.

Private Wilson was a native of Alberta, and, on joining the Pioneer Battalion, was sent to St. Andrews.

The funeral took place from Brennan's undertaking parlors to St. Andrew's church, where services were conducted by the Rev. F. S. Dowling. The firing party consisted of two men from the Pioneers, including one sergeant, a corporal and a bugler. The chief mourners were Lieut. March of the Pioneers and ten privates of the same battalion.

Twenty men from the Field Ambulance Corps walked in the procession. Lieut. G. Westall, followed by thirty-two men of the No. 9 Siege Battery under Lieut. Cudlip. Among the chief mourners were Lieut. Cosman of the 62nd Home Guards, Quartermaster-Sergeant Scott and Sergeant McDonald of the headquarters staff. Interment was made in the soldiers' and naval plot in the Fernhill cemetery. At the grave the "last post" was sounded.

69th to Reinforce.

A London dispatch says: The French-Canadian of the 23rd Reserve Battalion have been transferred to the 69th Reserve Battalion, and the British-Canadian of the 69th have been transferred to the 23rd Reserve. The 69th will be the reinforcing battery for the French-Canadians at the front.

Lieut. McLean Transferred.

Lieut. Russell R. R. McLean, 71st York Regiment, a well known Moncton boy, has been appointed to No. 2 Construction Battalion, which has its headquarters in Nova Scotia, and left Tuesday morning for Pictou for a consultation with his officer commanding, Lieut. Colonel D. H. Sutherland, formerly of the 219th Nova Scotia Highlanders. No. 2 has authority to get men all over Canada, and Mr. McLean will be in charge of recruiting for the unit in the province of New Brunswick.

Capt. Gambin Has Battery.

Word has been received that Capt. George Gambin, who was stationed in Fredericton with the 12th Battalion, is now in command of a battery of artillery in France. Capt. Gambin was in command of No. 1 section of the Ammunition Column and went to the front with that unit. Recently, however, he was appointed to command a newly formed battery and took twenty members of the Ammunition Column to form the nucleus of the new unit.

Presentation to Private Garnett.

Private Arthur Garnett, of No. 7 C.A.S.C. of St. John (N. B.), now stationed at Woodstock, on the eve of his marriage to Miss Edna Godwin, sister of Corporal Godwin of the same corps, was presented with a purse of gold, by the members of the C.A.S.C. The presentation was made by Staff Sergeant Harry Henderson. Major John Scott, R.C.B., gave the young soldier some sound advice on his embarkation on a life of matrimony. The members of the corps wished him success and happiness in his new sphere of life.

Returned Soldiers.

Trooper Warren Foley, who passed through on a train of wounded soldiers recently, has arrived home. He was in the trenches eight months, attached to the 9th Canadian Mounted Rifles, and while on duty was passed, and to returned home. Trooper Foley tells some very interesting tales of his thrilling experiences at the front. His numerous friends are delighted to see him looking so well.—Campbell Tribune.

Ten Nurses Already.

Ten young ladies have already notified Mrs. G. A. Kuhnke of their readiness to answer the call which has come to the St. John Ambulance Brigade through the assistant commander, Dr. C. J. Cope, to Mrs. G. A. Kuhnke, commander of the voluntary aid detachment of this city. The demand is for those wishing to serve as probationers in the military hospitals in England.

Those ready to volunteer are asked to apply by letter to Mrs. G. A. Kuhnke, 61 Seville street. Only members of the Voluntary Aid Detachment can be accepted.

Valcarter News.

Valcarter Camp, Aug. 1—Today is pay day for the 182nd battalion and, after the battalion has been marched to the bank, where the men cash their checks, they will proceed to the trench digging area and devote the rest of the day to instruction in trench digging and trench warfare.

Lieut. Benn is on leave. Captain W. J. Duncan has been granted leave from August 3 to 9, and Lieutenants Douglas and Venness from August 4 to 7, respectively.

Lieutenant-Colonel McCreane has returned from leave of absence.

140th Battalion.

The 140th Battalion is duty battalion this week, and furnishing all the guards and duties for the camp. Those not employed on this work, will spend tomorrow on the rifle range.

The returns of the shooting on the ranges up to date show the following men and platoon to have made the best scores: Highest individual aggregate, Pte. McAdam, B. Co.; highest platoon aggregate, No. 15 Platoon, D Company; highest aggregate in sniping, Pte. G. Demarchant, D. Co. (Special mention of Pte. Demarchant's score was made in camp orders.)

145th Battalion.

Today is pay day for the battalion, after which they will go to the "Plateau" and carry on with their days work in field training and drill.

Lieutenants J. F. Salmon and H. G. Palmer have reported for duty, after completing a course at Aldershot Camp, N. S.

Lieutenant W. B. Kieney, of Moncton, previously connected with the 182nd (Highland) Battalion, C. E. F., has been transferred to the 145th Battalion, and has reported for duty. He first joined the C. E. F. as a private, was promoted and took the N. C. O.'s course at Halifax which he passed very well.

146th Battalion.

The French-Canadian battalion is working very hard at drill and field training and are making a splendid showing. The appointment of Lieut. A. J. Melanson to this unit has been approved.

Establishment Altered.

A new establishment of officers of a battalion has been issued which reduces the number of officers.

In the 14th battalion proceeding overseas will not be permitted to exceed this establishment: Lieutenant Colonels, 1; majors, 3; captains, 4; adjutant, 1; quartermaster, 1; paymaster (attached), 1; medical officer (attached), 1; bandmaster, 17 (includes one machine gun officer); chaplain, where specially authorized, 1. Total thirty-two.

This establishment does away with the junior major (3rd in command), and the senior major (1st in command), and the senior adjutant (1st in command). Where a unit exceeds this establishment at present and has to proceed overseas, those officers in excess will be transferred to another battalion.

General Camp Notes.

The first brigade is the camp duty brigade this week.

A new school of machine gunnery has been opened in camp. The members of the school have already dug over 1,000 yards of trenches and machine gun emplacements, including every type of machine gun emplacement known, also the most modern type of trench, and the school of bayonet fighting and complete outlay of trenches and dummy figures hung on trees have been organized and carried out with the signaling of each brigade. A great deal of attention is being paid to this most important branch of the training of the men.
