Please Mention "Farmer's Advocate"

"Waste not want not"

This motto is of vital importance to every cream producer.

If you are selling cream or making butter and have no separator, or are using an inferior machine, you are wasting cream every day you delay the purchase of a De Laval.

It is easy to find out how much you are losing in either case; just ask the local De Laval agent to set up a machine for you on your place and see for yourself how much more cream you will get with a De Laval.

With present prices for cream it is too valuable to waste.

Save ALL your cream with a DE LAVAL

You can't afford to wait until next spring. Let the De Laval start saving cream for you right now and it will earn its cost by spring.

See the nearest De Laval agent at once, or if you do not know him write us direct for any desired information.
