Mercantile Summary

The Allan steamer "Victorian," which ran aground early last month, has been repaired, and started, though "light," on a trip to Europe.

Word comes from Emerson, Man., that the Great Northern Railway now has its grade surveyed for connection with the C.P.R., and the whole work is expected to be completed very shortly.

We lately noted the failure of Rameh & Boohanna, a Syrian jobbing firm of Montreal, dealing in fancy goods. We now learn that they are offering 20 cents on the dollar on liabilities of about \$7,000.

A news item from Calumet, Mich., says that the Wolverine Cedar Lumber Company, of Menominee, in Michigan, has closed a deal for a large tract of timber on the Spanish river, in Ontario, estimated to contain more than 100,000,000 feet. The timber was bought of the Eddy & Flynn Lumber Company, of Saginaw, and the price paid \$5 per thousand.

A report is extant in Port Arthur that the Marks-Riley rich hematite properties in Loon Lake district are to be taken over by the Mackenzie & Mann interests, with a view of supplying large industries to be established there. Work on the Nepigon branch of the Canadian Northern Railroad has started. It will connect with the Grand Trunk Pacific, and will be used largely as a supply road for that undertaking.

On Monday evening last was held in Toronto the third annual meeting of the Dominion Association of Chartered Accountants. The reports submitted showed the association to be in a satisfactory condition, having no liabilities of any kind. The following officers were elected: President, A. W. Stevenson, Montreal; first vice-president, John MacKay, Toronto; second vice-president, A. F. C. Ross, Montreal; treasurer, James George, Toronto; secretary, A. F. Mitchell, Montreal. Council—W. H. Cross, Toronto; Henry Barber, Toronto; John Hyde, Montreal; J. F. Cunningham, Ottawa; W. Simms Lee, Halifax.

An assignment on demand has been made by E. Gibault, at one time a leading general merchant of St. Jerome, Que. He opened in 1874, and at one time did quite a fair-sized jobbing business with the new parishes so successfully established in the Laurentides Mountains by the late Curé Labelle, well known as the Apostle of Colonization, thereabout, and after whom the present county of Labelle was named. The extension of railway communication in that district eventually cut off much of Gibault's trade, and of late years he has been thrice unfortunate through fire. The amount of his present liabilities is not yet ascertained, but as his business record has hitherto been excellent it is thought he should be able to effect a settlement readily.
