To offend you character, I did not mean, I was simply having fun.
But if in your room you had been, not a single joke would have been done.
The pranks are over, the gags are through, but if YOU have just begun,
Be careful King, of what you do, since the WASP may be the one to get STUNG!

Stop your childish games. I didn't call you, I apologized, it's over. Believe it or not, I thought we were friends. Friends spend time together, friends forgive friends. Call me soon; I am tired of this bullshit.
