# Skrj leads Bruins football title

Mississauga's Ed Skrij had trouble finding receivers for most of the afternoon in Sheridan Bruins struggle against the John Abbott College Islanders Sunday at McGill Stadium in Montreal but connected with Gary Brooks with less than a minute left in the game for the winning touchdown as Sheridan won its third straight Eastern Canadian College Championship 13-10 in Montreal.

Turnovers proved costly for the Seneca Braves two weeks ago in the Ontario college final which Sheridan won on a fumble recovery by Mississauga's David Olinoski.

John Abbott also found out it doesn't pay to fumble when Olinoski is on the field. With a minute remaining in the game and Abbott in possession of the ball on Sheridan's 35 yard line defensive end Jim Gill forced the Abbott quarterback Bruce McAlister to cough up the ball and Olinoski promptly recovered it setting up the go ahead touchdown.

John Abbott jumped into an early 10-lead in the first quarter which Olinoski points out "had us down for awhile."

A 100 yard touchdown pass from Skrij to Mike Durocher lifted the Bruins spirits in the second quarter and narrowed the Islanders lead to three points.

Skrij was down on himself for only completing five of 23 passes but the Mississauga completed the important ones for 177 yards and two touchdowns and had only one pass intercepted.

Glenn Sakamoto a former high school star at Lorne Park was Sheridan's leading ground gainer with 85 yards on 13 carries. While conceding he had his "bell rung" on one oc-

asion Sakamoto didn't consider the Islanders hitting in the same class with Seneca.

Olinoski gave credit to an organized Islander offense. "On sweeps they pulled five guys," pointed out Olinoski.

Sheridan left for Montreal early Friday morning and ran into over seven inches of snow in Cornwall which almost caused the bus to leave the road on one occasion. The team arrived Montreal at 4:30 p.m.

Instead of playing the game on Saturday as scheduled, both teams aided by as many as 200 shovellers spent the day clearing eight inches of snow off the McGill Stadium surface.

Not wishing to ruin McGill's new astroturf, stadium officials wouldn't allow machinery onto the field to clear the snow so it was left up to the sweat of the two teams and as many volunteers as they could muster to remove the snow so the game could proceed on Sunday.

# Bruins down Warriors in exhibition hockey

The Sheridan Bruins evened their 1975 exhibition play record at 3-3-1 by posting a 5-1 victory over the Univ. of Toronto B team from Erindale Campus Thursday night.

Trailing 1-0 after the first period, Sheridan came back to notch two unanswered goals in the middle frame and three more in the final 20 minutes.

A goal by Joe Hurley, at 15:09 of the first, gave Erindale the lead for the only time in the game and it held up un-

til the two minute mark of the second when Brad Bomans tied it for the Bruins, assisted by Rick Walker and Mike Hicks. Veteran Bob Glasbey netted the winner just past the mid-way mark with a power-play effort. Taking a pass from Bill Carver, Glasbey drilled a shot that hit the post and deflected into the net.

Consecutive goals by Rick Walker, at 3:20 and 8:40 in the final period provided the Bruins insurance.
