can afford to let Cathlamet
have a Magnet, superior
to her own, which will attract
everything which England &
Europe have to offer to
the undeveloped countries
requiring men & money,
you can judge as well, or

perhaps better than I can -
I understand Ottawa
has, for the present at any
rate, turned down my proposals.
I hope the action of the N 3
& Australian Govts may
prevent the London County
Council from determining my
