Dear Mr. Gibbens,

I had to get the note from Dr. King this
am. I believe that you will see Mr. Morice.

Some time ago I sent an early
copy of our "announcement" to Mr. A. Horton
of the office of Official Reporter of Debates - He has just sent
me a translation. But I fear it is defective. I for-
ward it to you - ~~It~~ I think it best
that some one in Ottawa or Montreal

take in hand the whole work of reaching
the French element on the best lines possible.
Whether our way or some other -

I am sure you will help to get
it into proper hands. I wish very
much that we could have a French
Branch - or Division of the Peace & A. Society.

Thus are now looking towards a
great Peace Convention. Sincerely yours

C. S. EBY
