

1883

Belong of their speaker.

that you have quite opened

your health, & found my-

self speaking, perhaps an

getting home, more so than I

had realized in Washington.

I fancy you were also.

Wm. Howell begs of the re-

membrance of you, and we

both desire to send our

most cordial regards to

dear Stephen.

Your very truly

Wm. H. Howell

Dr Charles F. Johnson

ANN ARBOR, April 28 1883

My dear Sir Charles.

I have just re-

ceived and read with

deep interest your speech

on the Praty.

You present the case

with great sagacity and

clarity and with a

genuine spirit towards

us which we heartily

appreciate.
