Johnie's secretary in the same way -
Please write definitely regarding
literature when it will be shipped, if you
are not able to ship any say so - as we
must enclose our plans. There are 2000
books in this library & we should have
6000 pieces of literature - Remember
our prospects are better than you
people in East imagine & the Election
is only 1400 weeks away - we should
have it out now. Yours truly
