RIMOUSKI BY-ELECTION

**E. d'Anjou, M.P. Appointed
District Registrar**

Quebec, July 19.—Emmanuel d'Anjou, member for Rimouski county, in the House of Commons has been appointed registrar for the district of Rimouski by the provincial cabinet. This makes two seats where by-elections will be necessary. St. Antoine division is already without representation since the resignation of Hon. W. G. Mitchell.

The new registrar succeeds the late Edouard Letendre, who, appointed in 1894, died a few months ago.

Mr. d'Anjou has been member for Rimouski for a number of years and is recognized as a good debater. He is a former student of Laval University and was returned for the Federal house in 1917.

It is understood that the by-election in Rimouski will be postponed until the fall when Amedee Caron, advocate, son of Hon. J. E. Caron, Minister of Agriculture, is mentioned as a possible Liberal candidate. Conventions will be held in the course of August and much interest is manifested in the official choice.
