Major Antonio Drolet,
28 Moore St.,
Sherbrooke, Que.

Dear Major Drolet:

I have had an opportunity to speak to a friend in the Defence Department. He tells me that all appointments to the Armed Forces are made in the Military Districts in which the applicant resides, and that you should apply to the head of your Military District. He says these appointments are not interfered with at Ottawa. Of course, while I am certain that this is his belief, I am not so sure that he is entirely right. Anyway, application must be made to the Military District in which Sherbrooke lies, which I presume is the Military District of Montreal.

Yours very truly,

AM/E.

Arthur Meighen.
