Dear Senator Dennis:

I received yours of 20th and had a call from Mr. Dean. Have arranged that he see Mr. H. C. Hatch whom he was desirous of meeting. Will be glad to be of help in any other way I can.

Received your wire this morning and hope to be able to wire you tonight. My intention indeed is to leave tonight but something may possibly absolutely prevent me.

Yours sincerely,

Hon. Senator W. H. Dennis,
