

been written to in respect to each paid - as in this case for the recovery of lost horses.

No 3213 - Accounts for Board are never very satisfactory. The only explanation given for this Board is that the expenses were incurred while the Farmer was in town for rations - Was it necessary to go there for rations twice in June and twice in Sept? Mr Wadsworth should report on these charges.

No 3214 - Why was it necessary to feed the Agency team at a livery stable at MacLeod considering that feed is constantly being purchased for that Agency.

No 3206. The Department knows of no authority for the increase
