DEAFNESS CANNOT BE CURED.

By local applications, is they can-not reach the diseased portion of the ear. There is only one way to cure desfness, and that is by constitution-al remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed. Deaf-ness is the result, and unless the in-flammation can be taken out and this tube restored to its normal condi-tion, hearing will be destroyed for-ever; nine cases out of ten are caus-ed by Catarrh, which is nothing bat an inflamed condition of the mucous surfaces.

Just as the permanence of a beautiful paint-ing will depend upon the purity of the colors with which it is painted, so the permanence of beauty depends on the purity of the blood. Paint, powder and cosmetics won't avail to preserve beauty. Beauty begins in the blood. Dr. Pierce's Golden Medi-cal Discovery is a true beautifier, be-stause it provides for nature that pure blood with which alone she can paint. The use of this medicine will cleanse the shin, heighten the complex-ion, brighten the eyes, and give to face and form that radiance of health which is the greatest charm of beaca-ty. Bir Wilfrid Laurier took the ground that the detaication was a small one, that Nixon facilitated investigation of the amounts and st once made resiltu-tion, with the help of his friends. Na-turally Nixon must be responsible, but it appeared the son was guilty of the shortages. Such being the facts, could Nixon, whose other duties often called him away, be held morally guilty? Alberts Autonomy Sill. The House last night took up the schedule of the autonomy bill defining the twenty-five constituencies of Alber-ta, which was adopted after the boun-daries of Glotchen, Rosebud, Banff and Innisfall had been shanged to preserve community of interest. Before the clauses giving a member each to Peace River and Athabasca were passed. Mr. Borden renewed his protest against this unfair and out-rageous gerrymander. The land clause and clauses two and sisteen, relating to education, still re-main to be dealt with. The lend clause will be dealt with at the next sitting and on Wednesday the educational clauses will be taken up, together with the amendment proposed therets. Ottawa Plumbers Strike.

Ottawa June 27.—The members of the Ottawa June 27.—The members of the Ottawa Plumbers' Union went on strike yesterday to enforce a demand for 30 cents an heur, and a Saturday half holiday without pay. The maxi-mum now is 27.1-2 cents, and the em-ployers offer 28.1-3 cents and refuse the half holiday.

Don't, be misled into thinking there is any-thing as good as Catarrhozone,-use it and you'll soon say good-bye to patarrh.

Binder Twine Comes Down.

Kingston, June 37.—Owing to a re-duction in the price of hemp and a very lucrative purchase made by the Government for its binder twine fac-tory at Kingston Penitentiary, it has been decided to cut the price of war-ranted pure manila binder twine by three-quarters of a cent. The new price will be 111-2 cents per pound.
