DEAFNESS CANNOT BE CURED.

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

Another Step.

Ottawa, June 27.—The Gaylor-Greene extradition appeal case was heard in the Supreme Court yesterday. Mr. Macleod appeared for the Government of the United States, and Mr. Gaylor for the defense. Judgment was reserved.

A Divorce in High Life.

London, June 27.—The Divorce Court yesterday granted Lady Grey-Egerton (formerly Mrs. Major Grey-Egerton, daughter of Major Wayne Grey-Egerton, U. S. A.) a divorce on the ground of desertion of her husband, Sir Philip Grey-Egerton.

\$1,000 REWARD

For A Case of Incurable Constipation.

To a person who can't be cured of constipation by Dr. Hamilton's Pills, the above reward will be paid. No cathartic medicine gives such lasting satisfaction or effect as Dr. Hamilton's Pills. Relief immediately follows for head aches, biliousness and stomach disorders. No griping pains, no burning sensations, nothing but the most pleasant relief attends the use of Dr. Hamilton's Pills—others not so good. Price 25c. a box at all dealers.

An Investigating Committee.

London, June 27.—The following have been appointed members of a commission to enquire into the South African army stores scandal: Justice Farwell, of the High Court of Justice, chairman; Sir George Dashwood Taubman, Golds of the Privy Council; Field Marshal Sir George White, Governor of Gibraltar; Sir Francis Mowat, a member of the Senate of the University of London, and Samuel H. Morley, former Governor of the Bank of England.

A SUCCESSFUL HORSEMAN

Never allows his horse to suffer pain. He always uses Nerviline, which is noted for curing stiffness, rheumatism, swellings and strains. Nerviline is just as good inside as outside. For cramps, colic, and intestinal troubles, it is a perfect marvel. In the good racing stables Nerviline is always used, because it makes better horses and smaller veterinary bills. Twenty-five cents buys a large bottle of Nerviline. Try it.

Killed by Fast Train.

Tottenham, June 27.—John Williams, 70 years of age, was killed by the northbound express at 3.30 last evening about two miles south of Tottenham. Deceased was walking across the track carrying some parcels, one of which he dropped on the track. He was just in the act of picking it up when the train struck him.

Nature has just one pigment on her palette with which she produces all the marvellous tints of beauty, and that one pigment is the blood. The shell-like pink beneath the finger nails, the delicate rose of the cheek, the cherry ripeness of the lips, the iridescent brilliance of the eyes are all produced by the blood. Just as the permanence of a beautiful painting will depend upon the purity of the colors with which it is painted, so the permanence of beauty depends on the purity of the blood. Paint, powder and cosmetics won't avail to preserve beauty. Beauty begins in the blood. Dr. Pierce's Golden Medical Discovery is a true beautifier, because it provides for nature that pure blood with which alone she can paint. The use of this medicine will cleanse the skin, heighten the complexion, brighten the eyes, and give to face and form that radiance of health which is the greatest charm of beauty. Dr. Pierce's Pleasant Pellets are very effective in aiding the system of clogging residuum, which accumulates with constipated habit.

BOTH GENERALS REGRET.

Linsvich and Kuropatkin Think Their Army Now Big Enough to Defeat the Japanese.

Gushu Pass, Manchuria, June 27.—Vague despatches reaching here through the official papers edited for the army, make the conditions under which the proposed peace is to be reached indifferently understood. Although Gen. Linsvich and Kuropatkin express the conviction that Russia is drifting toward peace, no action looking to an armistice has yet been taken. On the contrary, the commanders appear to regret that at the time when the army has reached its maximum strength it is likely to be deprived of victory.

Numerous small bodies of Japanese scouts have appeared in the regions of either Russian flank, and it is feared they were intended to screen the turning operations of the Japanese, as before the battle of Mukden. Chinese reports that flanking movements have been already begun, but the Russian staff denies this.

Traders coming from Peking say that the Japanese are advancing in that direction from Shantung.

Jap Attempt Repulsed.

St. Petersburg, June 27.—Two telegrams were received yesterday by Emperor Nicholas from Lieut. Gen. Linsvich, dated June 25 and June 26, respectively, and referring to the movements of June 21 and June 22. On the latter date a Japanese attempt to dislodge the Russian outposts in the valley of the Kaito was repulsed while the Russians in the Fusheng district dislodged the Japanese outposts at Nanchang and advanced southward of that place. The Russians operating near Ufaing retired after unmasking the Japanese. The latter pushed the Russians and occupied Yalungtu. The Japanese resumed the offensive near Shimaotsu, continuing a frontal attack and making an energetic turning movement. The latter threatened to cut off the Russians, who consequently retired.

Meet in August.

Washington, June 27.—The President has received from both the Russian and Japanese Governments the statement that the plenipotentiaries of the two countries will meet in the United States during the first ten days of August, and he has expressed to both Governments the wish that the meeting should take place, if possible, on the first of August. If not on that date, then at the earliest date thereafter.

Outrages Not to Occur Again.

London, June 27.—Questioned in the House of Commons yesterday regarding the destruction of British vessels by Russian auxiliary cruisers, Premier Balfour said the Russian Government disapproved of the actions of their cruisers, and that orders had been transmitted, rendering quite impossible any repetition of the last, which the British Government regarded as outrages against international law.

"ONLY A FAMILY AFFAIR."

Another Grit Rewarded With Better Paying Office After Having Been Found Out—The House.

Ottawa, June 27.—Hon. Frank Oliver as an apologist for official misdeeds is not a success. Yesterday he had a tough case to defend, but floundered in a slough of inconsistencies, lost his temper and made a mess of things generally. The case was somewhat akin to the Thompson postoffice deal in which the postmaster escaped punishment for defalcation by throwing the blame on his daughter. Mr. Oliver's defaulting protégé was one Nixon, Sub-Agent at Macleod, from the report of whom \$500 in his accounts and then at a private investigation held by a fellow partisan, Leach of Winnipeg, put up the plea that his young son had stolen the money. Nixon's subterfuge was cleared, but articles of the interior department within a few days after Leach's report reached Ottawa had him appointed to the immigration service, and two weeks afterwards raised his salary from \$25 to \$75 per month. Mr. Oliver's defence was that it was a "family affair," and that as restitution had been made it was the part of private individuals, not of the Government, to invoke the criminal law. The subject was brought up by Mr. Foster, who attacked the whole report of Leach, who had found that \$490.95 was missing.

R. L. Borden said that if, instead of frictions and indignation, Mr. Oliver would get down to the facts of the case, he would be a better man. The declaration of Borden, Struthers and others of Leach was that they had paid \$30 each to Sub-Agent Nixon, not to his son. The defence of the Minister of the Interior was the lamest, weakest and most unfortunate defence he had ever heard in the House of Commons.

Sir Wilfrid Laurier took the ground that the defalcation was a small one, that Nixon facilitated investigation of the accounts and at once made restitution, with the help of his friends. Naturally Nixon must be responsible, but it appeared the son was guilty of the shortages. Such being the facts, could Nixon, whose other duties often called him away, be held morally guilty?

Alberta Autonomy Bill.

The House last night took up the schedule of the autonomy bill defining the twenty-five constituencies of Alberta, which was adopted after the boundaries of Glacier, Rosebud, Banff and Innisfail had been changed to preserve community of interest.

Before the clauses giving a member each to Peace River and Athabasca were passed, Mr. Borden renewed his protest against this unfair and outrageous gerrymander.

The land clause and clauses two and sixteen, relating to education, still remain to be dealt with. The land clause will be dealt with at the next sitting and on Wednesday the educational clauses will be taken up, together with the amendment proposed thereto.

Mr. Fitzpatrick dropped his bill respecting the district of MacKenzie, and the bill to amend the Keewatin Act. The new Northwest Territories will provide that with the exception of Keewatin all the unorganized territories remaining will be administered by the Governor-General at Ottawa.

Government to Appeal Ruling.
Ralph Smith (Nanaimo), questioned in the House yesterday if the Government intended to appeal the judgment of the Judges in the Labour Act case, and what they proposed to do about it.

Davis & Lawrence Co., Ltd., Montreal.

Mr. Fitzpatrick replied: "Some of the provisions of that act have been declared ultra vires. The Government does not agree in that judgment, and it is our intention to appeal to the Privy Council for leave to appeal."

"I do not think it necessary to say what effect that judgment might have with respect to other legislation on this question. As far as the proceedings are concerned, the Dominion of Canada will be represented by Mr. Shepley of Toronto and Mr. Newcombe, Deputy Minister of Justice."

"I do not know of any other interests affected at present."

CUBAN DIARRHOEA.

U. S. soldiers who served in Cuba during the Spanish war know what this disease is, and that ordinary remedies have little more effect than so much water. Cuban diarrhoea is almost as severe and dangerous as a mild attack of cholera. There is one remedy, however, that can always be depended upon, as will be seen by the following certificate from Mrs. Minnie Jacobs, of Houston, Texas: "I hereby certify that Chamberlain's Colic, Cholera and Diarrhoea Remedy cured my husband of a severe attack of Cuban diarrhoea, which he brought home from Cuba. We had several doctors, but they did him no good. One bottle of this remedy cured him, as our neighbors will testify. I thank God for so valuable a medicine." For sale by All Drug-gists.

Ottawa Plumbers Strike.

Ottawa, June 27.—The members of the Ottawa Plumbers' Union went on strike yesterday to enforce a demand for 50 cents an hour, and Saturday half holiday without pay. The maximum now is 27 1/2 cents, and the employers offer 28 1/2 cents and refuse the half holiday.

THIS MEDICINE IS BREATHED

That's why it is sure to cure Catarrh. You see it goes direct to the source of the disease, its healing vapor repairs the damage caused by catarrhal inflammation. "Catarrh-ozone" always cures because it goes into those tiny cells and passages that ordinary remedies can't reach, goes where the disease actually is. Impossible for "Catarrh-ozone" to fail as any doctor will tell you. Don't be misled into thinking there is anything as good as Catarrh-ozone, use it and you'll soon say good-bye to catarrh.

Binder Twine Comes Down.

Kington, June 27.—Owing to a reduction in the price of hemp and a very lucrative purchase made by the Government for binder twine, the Government at Kingston Penitentiary, it has been decided to cut the price of warranted pure manila binder twine by three-quarters of a cent. The new price will be 11 1/4 cents per pound.

Laughing eyes, rosy lips, and bright, quick movements all tell of the vitality Ferrozone produces. Thousands of attractive, happy women use Ferrozone—why not you?
