## MEMORANDUM FOR JANUARY.

7

|    |                                                            |         |
|----|------------------------------------------------------------|---------|
| 1  | 9 above                                                    |         |
| 2  | 8 below                                                    | Netens  |
| 3  |                                                            |         |
| 4  | 12 above                                                   |         |
| 5  | 20 above                                                   |         |
| 6  | very windy, a little snow                                  |         |
| 7  | 8 snow all gone Rain                                       |         |
| 8  | 19 above                                                   | No snow |
| 9  | 19 "                                                       |         |
| 10 | 12 "                                                       | Netens  |
| 11 | 6 "                                                        |         |
| 12 | Raining (mod.)                                             |         |
| 13 | 1 above                                                    |         |
| 14 | 2 "                                                        |         |
| 15 | 15 " Snow all day a little 3 or 4 in. low                  |         |
| 16 | 8 "                                                        |         |
| 17 | 9 " Snow & rain, during the night (Regular blizzard today) |         |
| 18 | 11 below                                                   |         |
| 19 | 10 "                                                       |         |
| 20 | 12 below                                                   |         |
| 21 | 12 below                                                   |         |
| 22 | 12 "                                                       |         |
| 23 | 11 "                                                       |         |
| 24 | 18 above Snowing a little                                  |         |
| 25 | 19 "                                                       |         |
| 26 |                                                            |         |
| 27 | 17 below                                                   |         |
| 28 | 18 "                                                       |         |
| 29 | 16 "                                                       |         |
| 30 | 17 " Slight snow                                           |         |
| 31 | 3 "                                                        |         |
