available.

There was a bricker trade at the cattle markets last week, owing largely to the lighter run: even the poor quality offer-ing soid better than for some lime back, back, there were very few well finished cattle on the market during 'the week. There was not one load of well finished bother's cattle on sake last week. The bother's cattle on sake last week. The lotter's the same server-al dealers on the market waring choice cattle but could not get them. On Thurs-day out of fully 1000 butcher's cattle of 1500 line each, sold for \$4.75 and \$4.96 a owt. Dealers are looking forward to get. 1000 108 each, soid for \$4.75 and \$4.95 a wrt. Dealers are looking forward to get-ting their Christmas beef about the mid-dle of the month and will doubles have a chance to pick some good ones at the Union Stock Yards on Dec. ith. There has been nothing doing in ex-

There has been nothing doing in ex-porters during the week and no quota-tions are available. A recent report from Winnloge states that weater eattle men have had a very good season, one of the best in the history of the ranking track, the British market. Things in the East have not been quite so roay. What is the matter? Does the shortage of ocean vessel space account fully for the cond-tions of the export cattle trade in the Picked prime butcher's cattle are worth

cason and therefore no quotations are There was a moderate delivery of milch valiable. Dealers here quote cheese at cows which sold at a little lower price 3 14c to 13% for large and 15% to 13 han a week ago though if the quality the solution of the light prices would have the though a slightly wakes the solution of the sol

THIS WEEK'S HOG PRICES

THIS WEEK'S HOG PRICES The William Davies Company, Toronto, will pay 85/5 f.o.h. at country points for hoge this week. This is on the same basis as last week's buying was done and any change will depend upon the hog supply and competition among buyers. Danish weekly killing continue large. Last week they were 82.000 hoge. This coupled with the large increase in Amorican killings, the large increase in Amorican killings. The second second water to keep down prices hore:

PETERBORO HOG MARKET

PETERBORD MGG MARKET Peterboro, Ont., Dec. 6, 1968.-All hog markets are very weak, particularly the old country one, where the deliveries of Danish hogs are very large. Last week (200 hogs were slaughtered in Demmark alone. Deliveries of hogs on the local market are still fairly large though not quile so much so as during the pass few weeks. The Goorge Mathwaw Co. quote the following prices for this weak's deliv-dent abation, 550; weighed of care, 553. Lion of the export callie trade in the base of country one, where the deliveries of the star work area are very large. Last week 42.06 hors were slaughtered in Denmark 43.75 to 55, though loads of the best on sale on Thursday only soil for 54.40 hors were slaughtered in Denmark alon. Boliveries of hogs on the load marks are all fairly large shough not solve the solver are sale of the solver of the solv
