### EMPIRE Cream Separator.

There is no separator like it—none that will make so much **extra** profit for you. And all we ask of you is that you let us show you some of its many advantages before you buy a separator. You cannot look at its extreme simplicity of construction, its few parts, its little friction, and note how easily it is kept clean, how strong and durable it is, how little there is about it to get out of repair, and not make up your mind that it's the separator for you. Don't make a mistake in buying a separator. Get the one that will do the best work for you, cause you the least bother and last the longest. **That's the Empire.** We don't ask you to take our word for it, but we do urge upon you that you owe it to yourself and your own best interests to investigate its merits.

Our agent will be glad to show you—and the showing costs you nothing. Remember this: No separator made has increased in popularity and sales so rapidly as has the Empire. Wherever introduced it at once becomes the leader.
