RETURNING CONFIDENCE

The storm is the test of the ship. The strength of the Empire is being tested by the fiercest gale that every blew.

With the nation the institutions that compose it have suffered: not one financial organization has escaped.

The Life Insurance companies of England and Canada are being tested and tried but are not found wanting.

The Mutual of Canada, for instance, has not only held its own but has made substantial progress during every day of the war.

The wave of returning confidence finds The Mutual of Canada on the crest, stronger and more prosperous than ever.
