## SHUTTLEWORTH'S INKS.

These INKS are rapidly taking the first place among atramental fluids, and, wherever introduced, have given perfect satisfaction. They are prepared with chemical accuracy, and may always be depended on for uniformity.

### Blue Black Writing Fluid.

Will be found a great comfort to those who have much writing to do, as it possesses all the characteristics of the best imported inks, and has been pronounced decidedly superior in regard to its freedom from a tendency to clog and corrode the pen. Testimonials have been received from many gentlemen holding the highest places in professional and Commercial circles, and this Writing Fluid is now largely used in leading Legal Educational, and Financial Establishments.

### ERYSIPELAS

**POSITIVELY CURED.**

St. Croix, October 30th, 1881.

C. Gates, Son & Co.

Dear Sirs,—I have been afflicted with Erysipelas in my legs for three years, suffering pain more or less during that time, and some of the time being unable to work or to walk. I tried everything that I could hear tell of for external or internal use, and was attended by an M. D. for three years, but all to no effect, as I still grew worse. At last I was advised to try your life of man bitters No. 2, and invigorating Syrup No. 1. After taking two bottles I began to feel better, and I kept on using it until I had taken nineteen bottles, when I found myself perfectly cured. It is now six months since I stopped using the medicine and I have no sign of erysipelas. I thank God for causing such roots to grow, and you for searching out and such a wonderful medicine, and as I feel for suffering humanity I desire that this certificate be fully advertised, as every word of it is true and can be proved by coming to St. Croix. Your medicine is all it is recommended to be, if not more.

Yours truly,
