#### INFORMATION.

CATARRH AND LOSS OF VOICE. Mr. W. H. Shaw, Clifton House, St. John, N. B., says:—"For many years I have been troubled with CATARRH in my head, for which I tried several popular remedies, but they all failed, or gave only temporary relief. I found the complaint growing worse and became discouraged, as the disease extended to my throat causing loss of voice that had affected me more than two years until I tried GRAHAM'S ROYAL DIAMOND RESOL-VENT, less than a 25 cent package of which cured me, I then tried GRA-17.00 HAM'S CATARRHINE for my Catarrh, and was cured by less than one 25ct, 200 box. 1 can confidently recommend these remedies." Mr. Shaw lived for many years in Carleton, where none would doubt his word.

DIPHTHERIA CUBED .- I bereby ort fy that by the use of Minards Liniment, internal and external, my daughter was cured of what appeared to be a fatal attack of Diphtheria, 4 00 after all other remedies failed, and recommend it to all who are suffering from the same dreadful disease.

### Rev. Father Wilds' EXPERIENCE.

The Rev. Z. P. Wilds, well-known city missionary in New York, and brother of the late eminent Judge Wilds, of the Massachusetts Supreme Court, writes

"78 E. 54th St., New York, May 16, 1882.

MESSRS. J. C. AYER & Co., Gentlemen:

Last winter I was troubled with a most uncomfortable withing humor affecting more especially my limbs, which itched so intolerably at night, and burned so intensely, that I could scarcely bear any clothing over them. I was also a sufferer from a severe catarrh and catarrhal cough; my appetite was poor, and my system a good deal run down. Knowing the value of AYER'S SARSAPARILLA, by observation of many other cases, and from personal use in former years, I began taking it for the above-named disorders. My appetite improved almost from the first dose. After a short time the fever and itching were allayed, and all signs of irritation of the skin disappeared. My catarrh and cough were also cured by the same means, and my general health greatly improved, until it is now excellent. I feel a hundred per cent stronger, and I attribute these results to the use of the SARSAPARILLA, which I recommend with all confidence as the best blood medicine ever devised. I took it in small doses three times a day, and used, in all, less than two bottles. I place these facts at your service, hoping their publication may do good.

Yours respectfully, Z. P. WILDS." "78 E. 54th St., New York, May 16, 1882.

The above instance is but one of the many constantly coming to our notice, which prove the perfect adaptability of AYER'S SARSA-PARILLA to the cure of all diseases arising from impure or impoverished blood, and a weakened vitality.

Ayer's Sarsaparilla

cleanses, enriches, and strengthens the blood, stimulates the action of the stomach and bowels, and thereby enables the system to resist and overcome the attacks of all Scrofulous Diseases, Eruptions of the Skin, ?heumatism, Catarrh, General Debility, and all disorders resulting from poor or corrupted blood and a low state of the system.
