

Amalite ROOFING

No more paint for me! I've now covered every roof on my place with Amalite.

To buy a roofing that requires painting is inviting trouble. Painted roofings are as out of date as the harvester machinery of thirty years ago. The roofing of to-day needs no painting. That's one of its great features. If you are still using the "old rubber kind," the kind that requires painting every year or two to keep it tight, we want to tell you about Amalite; why it needs no painting; why it wears longer than the "smooth surfaced" roofings, and why it costs less.

First—Its chief ingredient is Coal Tar Pitch—not a "secret compound" but a well known, long tested material, recognized by engineers as the greatest waterproofing material known. Two layers of this material are used in every sheet of Amalite.

Second—We use two layers of the best grade of wool felt to hold the pitch in place. This wool felt gives tensile strength to the roofing, and is the best material known for that purpose.

Third—On top of these four layers is a real mineral surface. This surface requires absolutely no painting, and adds materially to the life of the roofing. It is fire retardant. It is permanent.

I Will Make You Strong

Take My Belt for What it is Worth. Wear it Until You Are Cured—Then Pay Me My Price.

If you come to me and I tell you that I can cure you, I've got confidence enough in my treatment to take all the chances. I am curing hundreds of weak men and women every day, and I know what I can cure and what I can't. If you will secure me you may wear my Belt free until cured.

I know that no man remains a weakling because he wants to. I am sure that you want to overcome every indication of early decay that has shown itself on you. I don't think the man lives who would not like to feel as big and strong as a Sandow; and I know that if you have a reasonable foundation to build upon I can make you a bigger man than you ever hoped to be. I want you to know that, you who can't believe it, and I want you to have my book in which I describe how I learned that strength was only electricity, and how I learned to restore it; also I want to tell you the names of some men who will tell you that when they came to me they were physical wrecks, and are now the finest specimens of physical manhood.

Dear Sir, — Your Belt has done me a world of good. When I started wearing it, I had the backache so bad I could scarcely walk across the floor. I put your Belt on as soon as I received it, and wore it about three weeks steadily, and I found myself a well man. I would not take five times what the Belt cost me if I could not get another one like it. You can use my name and letter for an advertisement if you wish. The Belt has helped me and I know it will help others if they try it. I remain, for the good you have done, JOHN GOLDIE, Lock Box 165, Estevan, Sask.

And how is it with you? Have you rheumatism and back pains, a dull ache and weakness over your kidneys, dull headaches, with a tired, stupid feeling? Are you losing your vitality? Do you feel yourself growing aged before your time? Are you nervous, sleepless, short of memory and lacking in spirit and self-confidence? Do you know that you are not the man you would like to be?

If so, I can cure you. What you lack is just what electricity supplies. My Belt will cure you, and if you will come to me you will soon be one of "DR. McLAUGHLIN'S MEN."

Business transacted by mail or at offices only. No agents.

FREE BOOK — Call and test my Belt free, or, if you can't do that, send for my book about it, also free. No charge for consultation. CALL TODAY. SEND THIS AD.

TRADE NOTES

The Quaker Oats Company is advertising Quaker Oats griddle cakes. They say that these cakes are the most popular dish served in their New York cereal restaurant. Children especially should delight in Quaker Oats griddle cakes; the kind that you can't eat too much of.

Mrs. S. Percy Westaway, who, with her husband, is now located at Chentu, Sz Chuan, West China, supported by the Dundas Centre Methodist Church, writes a descriptive letter of the events transpiring in her present home, and among the incidents related in her letter is one that brings out the Chinaman as an imitator, and shows his ideas of advertising matter in certain Canadian papers. The following is taken from the letter, and fully explains the circumstances:—

"Once in a while we find something to have a good laugh at. Let me tell you this incident. The West China Educational Union was holding meetings in the city; one session met in this house. We in Chentu follow the English custom and serve tea and cake at 4 o'clock. Mrs. Carson was going to serve tea to the members and we wished to help. I was still in bed, so told the cook to make a cake. Our cook is a pretty old fellow, about 30 or 35 years of age, and has worked for the foreigner for a long time. He can make a good cake when he so desires, and this day he made a layer cake, icing it with white, with red trimmings. He delights to get a new recipe or find some new way of decoration. About 3 o'clock Percy went into the kitchen to see how things were getting along. The cake was there, iced with white, and decorated with red, forming three rows across the cake, and this is what Percy saw and read:

DODD'S KIDNEY PILLS.

"On the table beside the cake was that well-known advertisement—the circular box, with this inscription. He, poor fellow, had taken it for a well-made cake, and decorated his like it."

THINK OF THE CHILDREN'S NEEDS

Secure one new subscriber to the FARMER'S ADVOCATE at \$1.50 per year, and claim as a reward three folios of music for the children; for instance, Tiny Tales in Simple Song, containing over a score of simple songs for the babies, Kindergarten Songs and Games, of which there are two separate folios, Young Folk's Classics, a collection of good music for beginners.

Anchored amid the soft breezes of Ceylon lay the East India fleet. The weather was faint and sultry, and scarcely anyone stirred on board. Suddenly a fore-castle boy sang out in clear treble his childhood's hymn, "I think when I read that sweet story of old!" Before the second verse was reached all the ship's company was joining in in pleasant harmony. Above the bulwarks of the other ships the men were seen congregating in the attitude of intense listeners.

After the last line of the hymn had been sung there was silence for a brief space, and then the hills caught up and sounded back the echo. "And crowd to his arms and be blest." Ship after ship followed with old familiar hymns, one after the other; all but the admiral's ship—that was silent.

Would the flagship follow suit before the sun sank into the waters, and what would be its choice? every one wondered.

Then suddenly there was a mighty burst of many voices, as if trained in a cathedral choir, and the warm air vibrated with the grand old "Te Deum." "We praise thee, O God; we acknowledge thee to be the Lord."

Doctor Said She Had Heart Trouble.

Weighed 125 Pounds. Now Weighs 185.

Mrs. M. McGann, Debee Junction, N.B., writes—"I wish to tell you what Milburn's Heart and Nerve Pills have done for me. Three years ago I was so run down I could not do my own work. I went to a doctor, and he told me I had heart trouble and that my nerves were all unstrung. I took his medicine, as he ordered me to do, but it did me no good. I then started to take Milburn's Heart and Nerve Pills, and had only taken one box before I started to feel better so I continued their use until I had taken several boxes, and I am now strong and well, and able to do my own work. When I commenced taking your pills I weighed 125 pounds, and now weigh 185 and have given birth to a lovely daughter, which was a happy thing in the family. When I commenced taking Milburn's Heart and Nerve Pills, I could not go upstairs without resting before I got to the top. I can now go up without any trouble."

Milburn's Heart and Nerve Pills are 50 cents per box, or 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

LEASING OF LANDS

The company is prepared to lease for hay and grazing purposes all reserved quarters or half-sections. For particulars apply the Land Department, Hudson's Bay Company, Winnipeg.

A man purchased some red flannel shirts, guaranteed neither to shrink nor fade. He reminded the clerk forcibly of that guarantee some weeks later. "Have you had any difficulty with them?" the clerk asked. "No," replied the customer; "only the other morning when I was dressing, my wife said to me, 'John, when did you get that pink coral necklace?'—Success.

Which do you think won?

Not long ago two men, athletes, went into a contest to see which could stand erect and hold his arms stretched out full length at either side of his body for the longer time. One man had fed on steaks and chops, sausage, ham, roast beef, etc.; the other ate heartily, but confined himself to such foods as Quaker Oats, rice, macaroni, etc. Which do you think held out longer?

The first man lasted twenty-two minutes. The Quaker Oats-macaroni-rice chap concluded to stop after he had been at it more than three hours.

There's more strength and economy in eating lots of Quaker Oats than most people imagine.

Every family should eat plentifully of Quaker Oats at least once every day; breakfast is the best time. It strengthens you for the day. The big mills of the Quaker Oats Co. at Peterborough, Canada, are one of the big industries of this country.

Regular size packages for city trade, large size family packages for those who are not convenient to the stores. Grocers sell both of these. The large package contains a piece of handsome china for the table.
