US ENTERTAIN YOU FOR AN EVENING **AT OUR OWN EXPENSE**

All You Need Do Is This

Read the list of favorite Victor records printed here. Pick out any ten you would like to hear. Write their numbers on a postcard; add your name and address, and send us the card.

Then, just as soon as we can, we will have the nearest Victor man come to your house with a Victor and your choice of records. He will gladly play them for you. You will be under no obligation whatever-not the slightest.

For we will count it a favor that you have spent a pleasant evening with this superb musical instrument of ours. We will be glad to have you hear its sweet, rich,

We will thank you for the privilege of entertaining you. natural tone. And you have nothing to pay for the evening's enjoyment-not one cent. Simply make your choice of favorites and let us have them played for you. You need not even thank us, although you will feel like doing so.

Why We Make This Unusual Offer

We make this offer so that we can fix your attention on the one sound-reproducing mechanism that you will prefer if you ver buy any. Once you have heard the Victor, you will never be satisfied with any machine but a Victor.

any machine but a victor. For, after your enjoyable evening with it, you will judge the "others" by the Victor. You cannot judge it by them, as perhaps you do now. You will find that the Victor is in a class by itself.

Simply listen to it and know. Simply hear it render speech, song, the sweet melody of the violin, the swinging crash of the world's great bandsmen. Let it appeal to your musical taste, through your listening ears.

Then you will know that it reproduces sound with a fidelity and a naturalness no other mechanism more than poorly counterfeits.

Some Day You Will Want a Victor

We are very willing indeed to send our man to you with a Victor and your choice of ten records. We are willing and ready to entertain you free for an evening-without the least cost or obliga-

tion on your part. Because that is the surest way to show you what the Victor of to-day really is. That is the certain way to convince

Once convinced, you will perhaps ask our man the price of the superb Victor you have heard play with such amazing volume and purity of tone. And you will be surprised to learn how little it costs to own this greatest of entertainers.

For the Victor actually is priced no higher than the ordinary "talking-ma-chine." Yet the ordinary kind is tinny and harsh-sounding; screechy, rasping,
