# Spend Your Old Age in Sunny Florida

WHY shiver and freeze, shovel snow and coal, wear heavy furs and flannels and be cooped up six months in the year when you can go down to BAY VIEW, FLA., and spend an easy out-of-door life among the birds, the flowers and the sweet magnolias.

Why not make up your mind RIGHT NOW to make a change? Many of you younger men and women are not greatly enthusiastic over snow, blizzards and zero weather. If you cannot move to BAY VIEW now, why not investigate this exceptional proposition now and have a place prepared for you when you are in position to enjoy the fruits of your hard toil.

If we can show you younger men or you older ones either for that matter, where you can make more money farming at BAY VIEW than you are now making, wouldn't you be interested? It costs you nothing to find out and it might mean a great deal to you. Study over the following statements and see if they don't appeal to you:

The soil at BAY VIEW is a deep, rich sandy loam—very exceptional for Florida. We will send you, together with our literature, a sample of this soil. We have plenty of rainfall 12 months in the year. Irrigation is unheard of. Crop failures practically unknown. Two and three crops easily raised each year on the same ground. These crops will net you from \$100 to \$500 profit per acre per year. Satsuma oranges (one of the finest and

most profitable varieties grown), figs, pears, peaches, plums, grapes and all kinds of berries produce abundantly. You can also raise enormous crops of corn (field and sweet), oats, hay, Japanese cane, clover, sweet and Irish potatoes, sugar-cane, celery, tomatoes, lettuce, cabbage, water-melons, cantaloupes, egg plant, cucumbers, radishes, turnips and all kinds of early profitable vegetables.

Not a better location in America for Dairying and Stock raising. Ready markets and good prices. Grass for pasture the year round. Don't have to stable and dry feed six months in the year.

BAY VIEW has one of the finest climates in the United States, both summer and winter. No sunstrokes in summer—no frosts in winter. Ideal salt water, boating, fishing and bathing. Lumber for building at wholesale prices. Good stores, churches and schools within 4 miles of any of this land.

We have farm land for all kinds of farming purposes, town lots and winter home lots with beautiful water frontage, all described in our big, free book. Prices very reasonable and excellent locations at present time. DON'T FORGET TO MAIL THE FREE BOOK COUPON.
