You Have Worked for your Dollars

and they are now yours. How are you going to use them? Save them for your children or friends to spend, or to make you and your good wife better fitted to live to a ripe old age and enjoy them?

They Will Bring Health and Vigor

If you use them rightly, your hard work in a climate of extremes has taken more out of you than you know. Your nerves require building up and you require more sleep.

They Will Purchase a Vacation at Victoria, B.C.

The Canadian Riviera. Victoria has done more to renew the health and vigor for future work for the residents of the prairie provinces, who have visited this city than all the medicine ever taken.

GOLF, TENNIS, MOTORING, FISHING

and every outdoor sport and recreation can be had at Victoria. Spend your summer vacation at Victoria, the coolest summer and warmest winter climate in Canada.

Peerless Perfection

Made in Canada. Quality worthy of the name and Nation. A fence of defence—never gives offence.

The Fence That's Looked Together

The attacks and onslaughts of animals can't face it. It's strong, yet springy. Manufactured from Green Branch steel galvanized wire. When made by this process, impurities are burned out of the metal, ensuring one of the chief causes of rapid corrosion or rusting. If you are considering the fence question, let us illustrate our wire and advice with you as to the best way to build— we will put you in touch with our nearest agent. Send for our latest catalog. Ask about our poultry fencing and ornamental gates. Agents wanted every where. Agents desired in your locality.
