In clear bracing weather and before a fair gathering of spectators the C. E. I.-Feildians and St. Bon's teams battled for the points on St. George's field last evening, the result being a win for the combine by the odd goal At 7.15 p.m. Referee Congdon got the teams together in the following order:

C.E.I.-FEILDIANS - Goal, Long; backs, Hussey, Ryall; halves, Drover, M. Stick, Brooks; forwards, Adams, R. Stick, Winter, Bugden, Fox. ST. BON'S-Goal, Knight; backs, Power and Ryan; half backs, Rawlins, Higgins and McGrath; forwards, Walt Callahan, W. Callahan, Smith, Furneaux and Devine.

### FIRST HALF

Combines won the toss, choosing the Western end and right from the kick off they forced matters, Tom Winter catching Knight napping and netting first goal of the match two minutes from the start-one for the C. E. 1.-Feildians. This roused the St. Bon's lads, and a few minutes afterwards, through an infringement of Drover's they secured a free kick which almost gave them a goal, Long having to concede a corner-kick in clearing his goal This was nicely placed, but cleared and play was transferred to mid field where it raged with even exchanges for the next few minutes. "Hands" against Hunt gave another chance to St. Bon's, but Fox cleared and again the Combines forced matters and secured a corner. This was well placed but cleared to the touch line, and from the throw-in Callahan got possession, missing a chance to score however, by shooting wildly past.

The greatest attraction, however, was the singing of Mr. Duguid. He first sang "Because," and then that charming song, which is always popular, "Absent." The latter was perfectly rendered and the applause demonstrated that it was appreciated. This evening the programme will be repeated.

The Combine rushed from the start and secured a corner which was placed behind.
