GENERAL SPORTS.

What is Going on in Baseball and Other Athletic Games.

News, Local and Telegraphic, Gathered from Reliable Sources.

The baseball game yesterday was fairly good up till the ninth inning, when it got into what appeared to be a hopeless tangle. Chatham led off in the beginning of the game by scoring three runs. Saginaw tied the score in the second, and both teams made one in the third inning. In the fourth Saginaw failed to score, while Chatham put together three runs on hits by Neal, Grimshaw and Conklin, and two passes. The fifth netted one run for Saginaw, and two for Chatham. The sixth inning gave Saginaw three runs and Chatham none. The feature of this inning was a clever catch by Bowen, of Klock's long fly out to right garden. The seventh and eighth, netted nothing for either side. The ninth saw all the fun and kicking of the game. Kleinow, the first man up for Saginaw, was caught out. Then the bases were filled through errors. Chatham might have won out then had not Fullmer dropped an easy ball fielded by O'Connell. Then Black took Fullmer's place, the latter having been spiked. Black's two errors then let in enough runs to win the game for Saginaw. The score stood 13 to 9, and Chatham had one inning.

The Reds went to bat then, needing five runs to win. Sanders, the first man up, got hit. Klock flew out to Bowen, who captured the ball after a pretty run. Neal singled and Black was hit by pitched ball. The bases were now full. Habel knocked a little pop fly to Norcum at first, making two men out. O'Connell got a hit. Sanders and Neal scored, which Habel knocked a hot one over the pitcher's head and Black ran to third. A squabble occurred at second base, the Saginaws alleging that O'Connell had run into the baseman. Black, who had gone to third, then started back to get mixed up in the threatened hostilities. Grimshaw was coaching and side Black to which Habel, who did, without, the Saginaws say, going through the formality of again touching third bag. Black, however, alleges he did so, but the umpire called him out. This made three men out with the score 13 to 11 in favor of Saginaw. While the dispute was going on O'Connell and Handboe continued round and round, which Habel then left the field. The umpire got excited and said the game was a tie and Black called his men out. A ball was pitched over to the plate, and the game awarded to Chatham 9 to 0. All kinds of protests were then forwarded to President Cal Davis on the game.

BASE HITS.

Tibald went to get a detonator on his mouth when he is inclined to cuss the umpire at home plate.

Bowen who is playing right field has signed with Manager Lowmyer to play with Mansfield. He was signed by Snyder to play here last year, but was sick, and couldn't report. He put up a great game here yesterday.

If that Saginaw man who cursed like the lowest kind of a rowdy doesn't mend his ways, he will find he will have a policeman to deal with instead of a weak-kneed umpire. He should have been taken into custody yesterday. No foul-mouthed ruffian should be allowed to drive people away from attending baseball games, whether he be a visitor or not. Kicking is bad enough, but when it is accompanied by profanity it is disgusting.

The umpire notified the official scorer that Black was out in that ninth inning. That being the case, the game was over as he made the third victim. Hence the last two runs scored after that could not count, nor could the umpire award a game that was already over according to his own decision. We want games all right, and lots of them, but there is no use claiming wins when the game is already over. One prominent citizen said to-day he would attend no more games until it was stopped.

HAMILTON IS A MARK.

Hamilton, May 16.—Hamilton had no chance in the game with London to-day. Freeman, a pitcher secured by London, released because that club had too many good ones, was picked up by Hamilton and pitched good enough ball to win, but the support he got was so poor that London made runs easily. COME ON, MAGDOFF

Mr. Pleasance Says he is Ready For the Libel Suit

Which Barrister George G. Martin is Camping on His Trail

With.

To The "Planet"—The erratic George Gordon Martin, writing under the caption I gave him a few days ago strives to smooth his stripes in a long-winded, rambling and discursive letter (characteristic of a writer possessing a few loose shingles) in which he repeatedly promises me a hearing before the high court next autumn. I trust that George has for once uttered the truth as I shall certainly embrace the occasion to turn him down so decisively that the public will never again undergo the painful infliction of his frothy and discursive attempt at literary composition. I promise him some evidence that will prove interest to the Attorney General, and will convince the (mythical) "leading clergyman" that George Gordon's revamped slanders are to be accepted with very many grains of salt as a case history of a man who is not a graduate from his Sunday school. George's character is much the same as Mark Twain said of his own beauty, viz, that small-pox would not injure it, yet with characteristic impudence he poses as a mentor in public morals and as a guide and leader on public questions, when prudence should dictate severe seclusion in the solitude of his law office, and a ban on his tongue on the continual forbearance of his victims.

Until the sittings of the court I will keep my powder dry and a few lyddite shells in reserve.

JOHN ELKASANCE.

Chatham, May 19th, 1900

P. S. Coate, Esq.,

Manager The Chatham Gas Co.

Dear Sir:—In reply to your letter of the 29th inst. Our Gas Range has been in use at my house for several years and has always given perfect satisfaction. Besides being a great convenience, it has been very economical in fuel, not costing more than one third the price for wood or coal. I may say that it is used for everything, and does the work admirably.

Yours truly,
