## JESUS OUR HIGH PRIEST IN HEAVEN

International Bible Lesson for To-morrow—Heb. 9, 11-14; 24-28.

Golden Text—He ever liveth to make intercession.

The worship of God by fallen man demands a priest. Christ Jesus is the God-appointed mediator between God and man. Greater than angels, greater than Moses, greater than Aaron's priesthood. His priesthood never changes, abides for ever—"not in temples made with hands," "but before the face of God for us." Only through Him can "true worshippers worship the Father in spirit and in truth." Such does the Father seek to be His worshippers. God is a spirit, and they that worship Him must worship in spirit and in truth. In Jesus, robed in His righteousness, pleading His own merit, presenting His own blood, we have a great Priest over the House of God; let us draw near with a true heart, in fullness of faith, having our hearts cleansed from an evil conscience. He asks no forms or rituals, but He does ask a receptive heart, a complete submission. Shall He have it from you, my friend?

## YOU CANNOT CURE PILES

By Internal Remedies.

The only sure way to cure every form of piles, is to use a remedy like the Pyramid Pile Cure which is applied directly to the parts affected, and its wonderful healing effects are apparent from the first application, because the medicinal properties are rapidly absorbed by tissues and sensitive membranes of the rectum, and the cure is made speedily and almost before the patient is aware of it every trace of piles has left him.

This is one of the reasons why the Pyramid Pile Cure has been so uniformly successful. It is applied directly, just where it is needed, and where it will do the most good. Not by the roundabout way of the stomach, nor the harsh barbarous methods of various surgical operations and so-called systems.

Direct applications to the seat of the disease is the only rational way, and this is fully accomplished by the Pyramid Pile Cure.

If the voluntary testimony of thousands who have tried this remedy is worth anything then no sufferer has excuse for longer delaying in giving it a fair trial, knowing that when you do so the Pyramid Pile Cure will have made one more friend, and the best possible advertisement we can have.

The chief advantages of the remedy are:—It cures without pain, the cure is lasting, it contains no poison, and lastly, it is the quickest and cheapest cure yet found. Your druggist can tell you what it has done for others.

Testimonials of cures from all parts of the United States will be sent on application to the Pyramid Drug Co., Marshall, Mich.

Little Ones' May Day

Pleasant Exercises by the Kindergarten Students of the Central School.

Mary Charming Songs—Pretty Games and Graceful Movements Credit to Teachers.

The May Day exercises of the Central school kindergarten class were held yesterday afternoon at the I. O. O. F. auditorium, about ninety of the little ones participating.

Among those present to witness the exercises were: Dr. Charteris, Mrs. Richardson, Miss Bennett, Mrs. Kingsmill, Mrs. Turner, Mrs. Schwenker, Inspector Park, Miss Thomson, Mrs. H. Andrews, Mrs. Glenn, J. M. Pike, Trustees Wilson, Campbell, McCord and Thomson.

The room was very prettily decorated with flowers and foliage. In the centre was a May-pole decorated with flowers and ribbons. The children came in first carrying baskets of flowers and singing "Come to the woods." They then had a little prayer, entitled "There Come the First Days." They then sang the hymn "Little Lambs so Bright and Fair."

Miss Green asked the children what helped to make the flowers, and they at once answered rain and sunshine. Then they sang a rain and a sunshine song.

The next songs were "All the birds and bees are singing," and "There is a little brooklet." These songs were rendered with motions by the children.

They next sang the flower basket song and gave the baskets of flowers to their parents who were there.

Class work was gone through by the different classes. Miss Green's class doing picture sewing, Miss Schwenker's boards and pegs, Miss McCord's school sewing and Miss Turner's weaving.

The tables and chairs were then taken out of the way, and the children had their playtime, which consisted of a series of games. The first was the May-pole dance, which was done very prettily by the children.

The other games were squirrels, birds, butterflies, running, marching, skipping, and the quiet game of bows.

The children then sang the "Good-bye" song, which ended the exercises.

The teachers of the children are Miss Green, director, Miss Schwenker, Miss Turner and Miss McCord. The teachers deserve very much credit for the way in which the children performed.

## DELIGHTFUL MUSICAL

Annual Recital by Advanced Pupils of Miss Lillian Pratt.

Admirable Program. Presented last Evening—Tribute to Teacher and Taught.

One of the events eagerly looked forward to in Chatham, is the annual recital given by the advanced pupils of Miss Lillian Pratt.

It was presented last evening in the Methodist Church Sunday School Hall and was a splendid success. All the pupils showed the result of careful training and each one played without the use of music. The players were practically the same as those taking part in the musicals last year and all exhibited many marks of decided and further improvement. Miss Pratt deserves the warmest praise and heartiest congratulations for the faultless manner in which all her pupils acquitted themselves.

Mrs. Milton Bogart was too ill to take part, but Miss Allie Humphrey at the last minute kindly consented to take Mrs. Bogart's place. Miss Humphrey sang an exceedingly fine solo.

Miss Ross, Miss Oliver and W. H. Brackin, all well-known Maple City vocalists, rendered solos that were features of an altogether fine program. The violin obligato to Miss Ross' solo, played by Henry McCaw, was a masterpiece.

Those taking part in the musicals were the following pupils of Miss Pratt:

Misses Flossie Bogart, Bessie Brackin, Nellie Richards, Ethel Titus, Dorothy Sheldon, Mary Brockie, Helen Atkinson, Ethel McKerrall, Addie Lilywhite, Nellie Embrey, kindly assisted by Miss Allie Humphrey, Miss Ross, Miss Oliver, W. H. Brackin and Henry McCaw.

THROUGH THE KINDNESS AND PERSISTENCE OF A FRIEND.

An Every-day Story That Will Bring Health and Happiness to Young Girls Who Act Upon the Advice Given.

From the Sun, Orangeville, Ont.

In every part of Canada are to be found grateful people who cheerfully acknowledge that the good health they enjoy is due to the use of Dr. Williams' Pink Pills. In the town of Orangeville there are many such people, among them being Miss Lizzie Collins, an estimable young lady who resides with her mother in the east ward, Miss Collins' cure through the use of this medicine was recently brought to the attention of the Sun, and a reporter was sent to get the facts of the young lady. Miss Collins cheerfully yielded to the interview, and her statement is given practically in her own words:—"Two years ago, I became so weak that I was forced to take to bed. The illness came on gradually. I found myself much run down, suffering from headaches, and was pale as if I used several medicines, but they did not help me. I consulted a doctor, and he said that my condition was one of danger. Medicine did not seem to do me any good and I found myself growing weaker. I reached the stage where my heart began to pit, violently all the time. The headaches became continuous, and my condition one which words can scarcely describe. I read and despaired of getting better, and I lost the sight of medicine. I had been confined to bed for about two months when one day a friend called and urged me to try Dr. Williams' Pink Pills. I had lost faith in all medicines, but she was apparently determined I should try the pills, for she brought me about half a box she had been using herself. I could not then do less than try the pills, and when they were used, while I cannot say that I felt much better, I got more confidence in the pills and got a dozen boxes. Before the pills were gone there was no doubt that they were rapidly restoring me to my old-time health, as I was soon able to sit up and then to get around and out. Before these were gone I felt as though I had never had an ache or pain in my life. That is what Dr. Williams' Pink Pills did for me and I think I would be very ungrateful if I did not add my testimony for the benefit it may be to some other young girl."

Miss Collins' story should bring hope to many thousands of other young girls who suffer as she did. Those who are pale, lack appetite, suffer from headache, and palpitation of the heart, dizziness, or a feeling of constant weariness, will find renewed health and strength in the use of a few boxes of Dr. Williams' Pink Pills. Sold by all dealers, or sent by mail, post paid, at 50 cents a box or six boxes for \$2.50, by addressing the Dr. Williams' Medicine Co., Brockville, Ont.

**How to Cure a Corn**

It is one of the easiest things in the world to cure a corn. Do not use acids or other caustic preparations and don't cut a hole in your foot. It is simply to apply Putnam's Painless Corn and Wart Extractor and in three days the corn can be removed without pain. Sure, safe, painless. Take only Putnam's Corn Extractor.
