Commercial.
Guelph Markets.
Guelph, October 14, 1880.
For the past week receipts of grain and produce on this market have not by any means reached the anticipations of buyers, which to some extent has been the result of the weather, which they otherwise would not have been. This is doubtless chiefly owing to the present fine weather, and farmers are wisely taking every advantage of it, and are quite busy with ploughing, sowing, and apple picking.

Epps's Cocoa—GRATEFUL AND COMFORTING.
By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a deliciously flavoured beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame.—*Chief Service Gazette.*—Sold only in Packets labelled—JAMES EPPS & Co., Homoeopathic Chemists, London, Eng.—Also makers of Epps's Chocolate Biscuits for afternoon use.
