

STRENGTH FOR THE DAY'S WORK

Depends Upon Good Blood to Nourish the Body. Weak People Need a Tonic, One Which Acts Directly Upon the Blood and That Does Not Weaken the Body by Useless Purgative.

There are thousands of people throughout Canada who are without ambition or strength to do their day's work, and who are always tired out, have but little appetite and a poor digestion. They cannot get a refreshing night's sleep and are subject to headaches, backaches and nervousness because their blood is impure. To men and women in this condition Dr. Williams' Pink Pills give quick relief and permanent cure because their direct action on the blood which they build up to its normal strength. As the blood becomes rich and red it strengthens the muscles, tones up the nerves, makes the stomach capable of digesting food, and repairs the wastes caused by worry or work. In a word, the use of Dr. Williams' Pink Pills means restoration to perfect health.

Blood Turned to Water

Miss Jessie McLean, Trenton, N. S., says: "I was as weak as it was possible for any one to be able to go about. My blood seemed to have almost to water. I was pale, the least exertion would leave me breathless, and when I went upstairs I would have to stop and rest on the way. I often had severe headaches, and at times my heart would palpitate alarmingly. A good friend urged me to try Dr. Williams' Pink Pills and I have reason to be grateful that I took the advice. Soon after beginning the use of the Pills I began to get stronger, and by the time I had taken seven boxes I felt that I was enjoying good health. I think Dr. Williams' Pink Pills are a blessing to weak girls and I shall always recommend them."

Rheumatic Pains

The sufferer from rheumatism who experiments with outward applications is only wasting valuable time and good money in depending upon such treatment the trouble still remains, and is all the time becoming more firmly rooted—harder to cure when the proper treatment is applied. Treat this disease through the blood and you will soon be rid of the pains and tortures. As a cure for rheumatism Dr. Williams' Pink Pills are unequalled. They act directly on the impure, weak blood; they purify and strengthen it, and so root out the cause of rheumatism. Mr. D. Lewis, postmaster at Edmundston, N. B., says: "I was attacked with rheumatism, which settled in my elbow, shoulder and knee joints, and at times caused me great suffering. The trouble was particularly severe last spring and I decided to try Dr. Williams' Pink Pills. After taking the Pills for some time the rheumatic pains and stiffness in the joints disappeared and I have not had any return of the trouble."

A Good Digestion

Mrs. William Dale, Midland, Ont., says: "I suffered for a long time from a severe form of indigestion, and had doctored so much without benefit that I had all but given up hope of getting better. Everything I ate caused me intense pain and some days I did not touch a thing but a cup

of cold water, and even that distressed me. As a result I was very much run down, and slept so poorly that I dreaded night coming on. I was continually taking medicine, but was actually growing worse instead of better. Having often read the cures made by Dr. Williams' Pink Pills, I finally decided to give them a trial. I have had great cause to bless this decision, for by the time I had used a couple of boxes there was no doubt the pills were helping me and in less time than I had anticipated the pills had cured me, and I was again enjoying not only good digestion, but better health in every way than before."

Always Feels Fit

The wonderful success of Dr. Williams' Pink Pills is due to the fact that they go right to the root of the disease in the blood and by making the vital fluid rich and red strengthen every organ and every nerve, thus driving out disease and pain and making weak, despondent people bright, active and strong. Mr. W. T. Johnson, one of the best known and most highly esteemed men in Lunenburg County, N. S., says: "I am a Provincial Land Surveyor, and am exposed and greater part of the year to very hard work—travelling through the forests by day and camping out by night, and I find the only thing that will keep me up to the mark is Dr. Williams' Pink Pills. When I leave home for a trip in the woods I am as interested in having my supply of pills as provisions, and on such occasions I take them regularly. The result is I am always fit. I never take cold, and can digest all kinds of food such as we have to put up with hastily cooked in the woods. Having proved the value of Dr. Williams' Pink Pills as a tonic and health builder, I am never without them and I lose no opportunity in recommending them to weak people I meet."

Skin Trouble Cured

Mrs. W. Ritchie, Parkburg, Sask., says: "Two years ago I was attacked with eczema on my hands. I tried almost everything that was advised, but as the trouble was growing worse I consulted a doctor and took his treatment for some time with no better results. By this time my hands were a mass of sores and I began to despair of finding a cure. A friend strongly advised me to try Dr. Williams' Pink Pills, and I decided to do so. After using two boxes I could see an improvement and I got a further supply. I used altogether eight boxes, by which time every trace of the eczema had disappeared and there has been not a single symptom of the trouble since that time. I gladly recommend Dr. Williams' Pink Pills for troubles of this kind."

Dr. Williams' Pink Pills should be kept in every home and their occasional use will keep the blood pure and ward off illness. You can get these pills through any medicine dealer or by mail at 50¢ a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

are Thomas Dyer of Fort Fairfield, Edward of Bath, Robert of Boothwood, Harry of Fielding, and Frank, Bertram, Percy and Wallace of Bristol. She is also survived by one brother Randolph of Red Deer, Alberta, and two sisters Mrs. Enoch Tompkins of Strickney and Mrs. Eliza Clare of Gordonsville.

Mrs. Dyer was a woman of Christian faith, kind and faithful in her own home and showing a helpful spirit towards her neighbors. Early in life she professed her faith in Christ which she kept unto the end. The funeral was held on Tuesday afternoon in the Presbyterian church. Services were conducted by Rev. M. H. Manuel. Burial took place in Bristol.

THE BEST MEDICINE FOR LITTLE ONES

Thousands of mothers state positively that Baby's Own Tablets are the best medicine they know of for little ones. Their experience has taught them that the Tablets always do just what is claimed for them and that they can be given with perfect safety to children of all ages. Concerning them Mrs. Joseph Therrien, St. Gabriel de Brandon, Que., writes: "Baby's Own Tablets are the best medicine I know of for little ones. I thought I would lose my baby before trying the tablets, but they soon made him healthy and happy and now I would not be without them." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Cummings-Cummings

A quiet wedding took place at the home of Mr. and Mrs. Arritus Cummings on Wednesday afternoon, April 23, at 2:30, when their second daughter, Miss Kathleen, was united in marriage to Guy N. Cummings, of Woodstock. The ceremony was performed by the Rev. P. J. Trafton. Only the immediate relatives of the bride and groom's family were present. The bride looked charming in a gray Oxford travelling suit with hat to match, and the bridesmaid, Miss Jennie P. Cummings, sister of the groom, was prettily attired in blue silk with hat to match. The groom was supported by Harry A. Cummings, brother of the bride. The bridal party stood under a canopy of pink and white bunched poited plants. After the ceremony the guests repaired to the dining room where a dainty supper was served. Mr. and Mrs. Cummings left by the afternoon express for a trip to St. John and Halifax. After their return the young couple will reside in Woodstock. They were the recipients of many handsome gifts. Out of town guests were Mrs. Melbourn Seeley of Woodstock, Mrs. J. A. Mitchell, Misses Josie and Merceus Mitchell, Mr. and Mrs. Wm. Cummings, Miss Jennie Cummings and Gordon Cummings of Woodstock.

WOMAN'S NERVES MADE STRONG

By Lydia E. Pinkham's Vegetable Compound.

Winona, Minn.—"I suffered for more than a year from nervousness, and was so bad I could not rest at night—would lie awake and get so nervous I would have to get up and walk around in the morning, would be all the time out. I read about Lydia E. Pinkham's Vegetable Compound and thought I would try it. My nervousness soon left me. I sleep well and feel fine in the morning and am able to do my work. I gladly recommend Lydia E. Pinkham's Vegetable Compound to make weak nerves strong."—Mrs. ALBERT SUTHER, 608 Olmsted St., Winona, Minn.

How often do we hear the expression among women, "if I am to achieve, I cannot sleep" or "it seems as though I should fly"? Such women should profit by Mrs. Sutherland's experience and give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial. For forty years it has been overcoming such nervous conditions as sleeplessness, indigestion, constipation, irregularities, periodic pains, headache, dizziness, and nervous prostration of women, and is now considered the standard remedy for such ailments.

Be Ready for Emergencies

The best way is to always keep a bottle of Dr. Chase's Syrup of Linseed and Turpentine in the house, ready for emergencies. Then when croup, or colds, come suddenly they can be promptly cured before they have time to reach an acute and dangerous stage. To meet this requirement we have put the syrup up in family size bottles which contain nearly three times as much as the 25 cent bottle and sell at 60 cents.

Freed from Chronic Pains

To those who are afflicted with the agonies of a chronic aching back, loss of strength, weight and vigor, the case of Mr. P. Herbert of Pleasantville will appeal with special significance.

Mr. Herbert had suffered with kidney trouble for years and failed to find a prescription that would give him any relief. Finally he tried GIN PILLS because he was impressed by the fact that GIN PILLS contained the beneficial ingredients of Juniper without any alcohol being added.

Note these extracts from his letter: "I suffered from kidney trouble for several years, and tried numerous remedies without finding any permanent relief. My case appeared chronic."

I knew that Juniper without alcohol was excellent for the kidneys, so decided to try GIN PILLS. One single pill gave me great relief, and since taking four boxes I feel myself completely cured. I am no longer bad-tempered, have increased in weight, and am strong and vigorous again."

Here is another case. Mrs. M. R. Gardner, of Richmond, Que., writes: "My husband was taken with severe kidney trouble last winter, and could not work for some time. He heard of GIN PILLS, and after taking one box was able to resume his work. Two boxes relieved the pain in his back, and to-day he is well and strong again."

GIN PILLS help others—surely they will do the same for you. Try them. 50¢ a box everywhere.
