Tuesday, April 6.—For an early week offering trade was rather brisk on Cen-tral Market this morning. Both supply and tenda were fair, thus equalizing matters, and keeping the market steady. Green stuff is becoming more plentiful, and radishes, rhubarb, green onions, and lettuce are being offered in abundance. On the grain market prices were un A souvenir booklet fully illus-trated—telling about the new CHICAGO LIVE STOCK. Chicago, April 6.—Cattle—Receipts es-timated at 2,000; market steady; beves, \$4.65 to \$7.10; Texas steers, \$4.35 to \$5.50; western steers, \$4 to \$5.50; stock-ers and feeders, \$4.50 to \$5.50; cows and heifers, \$1.90 to \$5.60; calves, \$6 to 37. Hogs—Receipts estimated at 12,000; market 5 to 10c higher; light, \$6.75 to \$7.171-2; mixed, \$0.80 to \$7.20; heavy, \$6.90 to \$7.25; roughs, \$0.90 to \$7; good to \$6.06; bulk of sales, \$7.50 to \$7.75. Sheep—Receipts estimated at 12,000; market steady; natives, \$3.50 to \$6,85; yearlings, \$6.25 to \$7.50; lambs, native, \$6 to \$8.15. CHICAGO LIVE STOCK. Northland—with maps show-ing properties on west shore of Lake Gow Ganda, the townsite, the R. R. and stage NEW YORK STOCKS Export steers sold at \$5.30 to \$5.60; bulls, \$4 to \$5 per ewt. Butchers.—The best butchers on sale to-day sold from \$5 to \$5.25; medium, \$4.75 to \$5; conmon, \$4 to \$4.50; cows, \$3.50 to \$4.30. Milkers and Springers were on sale. Trade was dull, with prices ranging from \$30 to \$53 each. prices ranging from \$30 to \$53 each. Veal Calves.—Prices nominal, at \$3.-50 to \$6.75 per ewt. Sheep and Lambs.—Sheep are quoted Reported for the Times by A. Z. Car-penter, broker, 102 King street east. New York, April 6.—Noon.—The early market developed London sales of 15,-000 shares with some local profit-taking owing to the coming holidays. There was good buying in Steel, and Union Pa-cific, and R. L. common, with good sell-ing of St. Paul, Reading, and N. P. The R. I. statement for February and the Missouri Pacific weekly statement show a large gross increase, and induced buy-ing of these issues. Denver is said to be under accumulation by a large wostern system seeking a voice in the affairs of the company. The stock made a new high record for this movement. One rumor is that Hill interests were offered control, but the price was too high. There is talk of fhorahel dividend ac-tion by R. I., C. & O. and Alton. The short interest in Smelters was attacked. Corn Products was bought by 'people who seemed to be trying for a move similar to that in le or Hocking Coal & non, although the fact that the capital-ization includes the large total of 494, 000 shares of stock militates against such an outcome, a financing plan which may enable payment of back preferred dividends is being considered. Lead was up on realization that the company is putting a good deal of money back into the property, and that earnings last year were not far from the high record of 1908. Beet Sugar is according to cur-rent reports earning nearly as much as American Sugar earned hast year; there is a with dividences the merice the the e grain market prices were un-ed with the exception of oats, were a little firmer. First class routes, and giving particulars about Bartlett Mines, will be Rochester-1000 at 1.52. Rochester-1000 at 1.93.4. NOTES. Considerable activity was manifested on the mining exchanges yesterday, but prices were easier and most of the is-sues sold off a little. There was a spurt in Rochester, which advanced a couple of points to 201-2 and was well taken. Temiskaming was also freely dealt in, going as high as 1.53, but going down to 1.50 and closing a fraction higher. Lit-tle Nip was strong, advancing to 35 3-4 and closing with a two-point gain. Peter-son Lake sold mostly around 29, but gradually eased off to 281-2. The power house of the Beaver mines was burned down on Sunday night, but arrangements were made with the Tem-iskaming for a supply of power, so that the interruption of work was but tem-porary. beef advanced about a quarter of a cent a pound. The farmers are waiting anxgiven to anyone on request absolutely a pound. The farmers are waiting anx-iously for rain, which, they say, with the favorable weather we have been get-ting lately, would soon cover the fields FREE 50 to \$6.75 per cwt. Sheep and Lambs.—Sheep are quoted at \$4.50 to \$5 per cwt. for ewes, and \$3.75 to \$4.25; yearling lambs, common, \$5 to \$6 per cwt.; spring lambs, \$5 to \$8 each with their th their mantle of green. ham, Wigg, Brown.
Vernon made the best score of the
evening, three wins and three draws.
The Hamilton Y. M. C. A. Chess Club,
composed of Messrs. Herald, Symmonds,
Freeman, Wood, Hogarth, Bath and Dr.
Gillrie, also went to St. Catharines hast
evening to play a return match with the
chess men of that city. They were hos-
pitably entertained at Ridley College,
played their games in the Welland Hotel
and were defeated by a score of 18 to
14. A few weeks ago, when St. Cathar-
ines team played in Hamilton, the locats
were the victors, so arrangements will
                                                                                                                                                                                                                                                                                                                                                                                                                                                                 Phone 1137.

                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             LILIES FOR EASTER.
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          Buy the Best
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  New York, April 6.—With one of the
largest consignments of Easter lily buds
of the year the steamer Prince Geerge
arrived here to-day from Benuda. The
vessel bought more than 100,000 of the
seasonable flowers in her cargo, and
thousands of buds in addition were in
possession of her passengers.
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 Reliable Jeweler
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      5 James St. North.
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         The best plated tableware made is
"Community Silver" with a guarantee
of 25 years wear in ordinary house-
hold wear; handsome in design and
finely finished. We cell it.

                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    Sydney, N S. W., April 6.—A terrific
cyclone on March 29th swept over the
New Hebrides, according to news just
received here, and the Island of Teoma
was inundated by a tidal wave, which
destroyed the crops and many of the
buildings. A number of vessels were
stranded on the shores of the various is-
lands.
