Queen Street.

WE ARE IN THE

We devote all our time and energies to this line only. We employ tradesmen who thoroughly understand their business—some of them having served their time with the old reliable firm of Oairns & McLean. Proportion is one of the most particular branches of our trade; without it a Monument cannot look well. This is one of the places where some competitors are continually going astray.

We do not import condemned stock full of cracks and stains because is cheap, but we pay the right price and get the right goods.

FAT COST

To wind up the season's business and make room for our large Fall Stock for winter cutting. Come quick if you want a bargain.

We don't advertise very much, but when we do we mean just what we
