NO THOUGHT READER

Can foretell the day or the hour when your property may burn. Most people are aware of this and make provision for the disaster by insurance. Why are you not so insured? I offer the lowest rates and strongest offices. The promptness and liberality of my settlements are well known.

HOW CAN WE COUNTER-ACT THE INCREASED COST OF LIVING?

A second's reasoning will supply the answer. Beef and pork are dear and getting dearer all the time, and the cost is out of proportion with their food value.

EAT MORE BREAD.

There is more nourishment in a shilling's worth of bread than a shilling's worth of beef or pork. But the problem is not done with yet. The shilling's worth of bread is not always the same value. Breadmade from

ROYAL HOUSEHOLD FLOUR

contains more nourishment than any other, because it contains the greatest amount of gluten, the health-giving nutriment of wheat.
