Miss Butt, teacher of Victoria St., School was unable to attend to school to-day, owing to a bad cold. The children who were all very sorry, took their places as usual, and did their work under the direction of one of the civis

The total amount realized by the ladies of Christ Church at their recent Sale was \$162. The sale closed was spent by all who attended.

Mr. Ernest Simmons returned from St. John's by last night's train, hav-

the management of Dr. P. L. Hermann, are giving shows nightly in St. Paul's Hall. They are being fairly well patronized.

A report is in circulation here that the Reid Company are about finalizing their arrangements to make this town the terminus for their northern boats, where coal, etc., will be supplied. We hope the report is correct. This town needs some of the Reid Co.'s push about it. It is beautifully sitiuated level and pleasant in ever way for tourist or health seekers, and only needs to be awakened by some business concern. Any move Mr. Reid will make (barring whale factories) will be hailed with pleasure by the residents and admirers of this old CORRESPONDENT.

Granulation of the Eyelids

Is Cured by Dr. Chase's Ointment-Scores of Uses for the Great Sooth-

Most people know Dr. Chase's Oint-ment best as a cure for eczema and itching piles. Nor is this to be won-dered at when you think of the re-markable record made in this class of But there are scores of other uses for this cintment, which are only dis-covered when it is kept constantly at hand.

covered when it is kept constantly at hand.

Mrs. Martin, 13 Carroll street, Toronto, formerly of Bowmanville, Ont., writes: "We have used Dr. Chase's Olniment for years, and found it invaluable in treating skin irritations and all sorts of burns and wounds. In fact, we would not be without it in the house. It is a most excellent treatment for granulated eyelids, from which I suffered without finding anything to help me."

Wherever Othere is itching of the skin or a sore that refuses to heal you can use Dr. Chase's Ointment with tall assurance that it will prove extirely satisfactory.
