Thrilling Story.

sinking of "Hawanee" by German U-boat---Crew Rowed for 500 Miles to Safety.

Capt. King, this morning, the was a large amount of food in the boat, which they had taken from the vessel when the alarm first sounded, oring of his vessel, Hawanee. It was and the submarine's crew gave them and the submarine's crew gave them more food also, so that they were well provided in that line. A sail on the boat greatly facilitated their progress, as they had to make a distance of 500 miles to reach land. This they did in minutes later, a shell was fired the Hawanee, falling short of the the Hawanee, falling short of the the Hawanee, four feet, and after the weather was very boisterous, with high seas running. They successive miles to reach land. This they did in the the weather was very boisterous, with high seas running. They success of shrappel broke time the weather was very boisterous, being pieces of shrapnel broke the engine box, smashed off the bom, and did other minor damber the people treated them very kindly.

The Hawanee then hove to, They were then taken to the British of the British of the people treated them to the British of the British o The Hawanee then hove to, the Hawanee then hove to, the mainsail, and getting cut stood by the ship. By this submarine had come near to hold conversation with the card the German comrew, and the German com-ordered them abound the un-boat. This they did, and the boat control of the control o allors then rowed in the boat to that vessel, where Nothing occurred on the way back worthy of note, excepting the out-

blected all the provisions and street the disease already noted in this papers. They then placed the disease, which was fortunate. For it would indeed have been to the sub. The commander of the sub. The commander of the sub. The commander of the sub the height of bad luck to escape the dangers they had undergone, only to fall victims to disease right at home. Captain his chronometer and instruments. The crew of the safe, also, treated the sailors, chatting with them left horself. The submarine all kindness, chatting with them picture of which submarine is being and English. The commander of the Crescent Theatre togood English. The command-plant King that the reason he at the ship was because he i at the ship was because he inght. The Hawanee was owned by she was an armed yacht. Tessier and Co., and was homeward an upturned boat lying on the bound from Oporto, salt laden. She to be a gun. This story the was a fine vessel, and will be a big of the Hawanee considers loss to the trade. Capt. King, who is mer of the man new, and nicely a native of Bell Island, is a splendid that at a distance she type of manhood, being almost a giant be mistaken for a yacht. They in stature, and from all appearances ed aboard the submarine until he could withstand a great amount of o'clock that night, when they fatigue. He will remain in port a ordered into their own boat, short while, after which he will take a the Germans had held. There new command.
