### STEWART'S Home Made Bread,

THE BREAD MY BADDY LIKES.

Daddy is evidently not one of those back number lords of creation who believes that woman's place is in the home—and only there. His taste in a wife is an up-to-date woman who will prove herself a real companion. He knows that if she is a slave to her kitchen she can't enjoy the poise or have the interest in world affairs that a little extra leisure would make possible; and so he is pleased to eat MRS. STEWART'S HOME MADE BREAD—the loaf with the home made flavor.

The smiling, well-nourished kiddie doesn't look as though suffering because mother is progressive enough to buy good bread made by a bread specialist, instead of wearing out her life in the kitchen.

### Creditors Should be in Possession of Verified Statements.

During this period of readjustment business men should have a system of book-keeping to be able to tell at once the condition of their business—in justice to their creditors and to themselves. We can install a system of Book-keeping to suit any particular line of business. All business strictly confidential.
