

BRKFAST—EPP'S COCOA—GRATEFUL and COMFORTING.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctor bills.—Civil Service Gazette. Made simply with boiling water or milk. Each packet is labelled "James Epps & Co., Homeopathic Chemists, London." Also, makers of Epps's Milky Cocoa (Cocoa and Condensed Milk).

To the weak, the worn and the weary, the Editor of the Boston Recorder says, "We can most unhesitatingly recommend the Peruvian Syrup, a protected solution of the protoxide of iron, to all the weak, the worn and the weary, having richly experienced its benefits. It possesses all the qualities claimed for it by its proprietor."

Fellows' Compound Syrup of Hypophosphites will not only supply the waste going on in the brain, but will enable the mind to endure a greater strain than before. It will impart vigor and promote clear conceptions of the intellect. It will strengthen the nerves and give power to all involuntary as well as the voluntary muscles of the body.

We noticed in one of our exchanges this week the statement of Deacon John Hodgskins, of South Jefferson, Me., whose son was cured of incipient consumption by the use of Johnson's Anodyne Liniment. We refer to this at the time as tending to corroborate the statement we made last week in relation to this Liniment as applied to consumption.

If Congress had employed as much scientific skill in the arrangement of its "Reconstruction Policy" at the close, as the War Department did in the beginning of the war, in arranging for the manufacture of what was called Sheridan's Cavalry Condition powder for the use of the cavalry horses, no doubt the Union would have been restored long ago.—Exchange.

FELLOWS' COMPOUND SYRUP OF HYPOPHOSPHITES

All life-endowed bodies, whether they be Plants, Birds, Reptiles, Insects, or even Zoophytes, and subjects of the Vegetable Kingdom are governed by a vital force, which binds all the springs of existence, and as nothing can save them from destruction when this principle leaves them, the discovery of means whereby vitality may be sustained in the living body is in itself a boon to the world.

Modern Chemistry has investigated the question and discovered the ingredients constituting the brain, muscles and nerves, and finds that by introducing these ingredients in proper proportions the brain and nervous system are strengthened.

This is the substantially the basis on which FELLOWS' HYPOPHOSPHITES is built, its direct action is upon the Blood, the Brain and Nervous System, and the Muscles, strengthening the Nerves, it causes the rapid distribution of Vitalized Blood in the Muscular Organs of the Body.

By giving the Spleen, Heart and Liver, Strengthening the Action of the Stomach and Bowels, and enabling the Lungs to be fully impregnated with Oxygen.

It is adapted for all cases of Weakness and Emaciation, whether arising from a Sedentary Life, a tropical climate, from fever, or debility from any cause, and is efficacious in Pulmonary Consumption, many confirmed cases having been cured and all benefited, where its use has been continued over a fortnight.

In Bronchitis it is a specific, and in Asthma it gives relief where every other remedy fails. For Nervous Debility it stands unrivalled, and is used with confidence in all cases.

As this is entirely distinct and different from every other preparation of Hypophosphites, be careful to ask for Fellows' Syrup, and take no other.

SOLD BY APOTHECARIES. PRICE, \$1.50. SIX FOR \$7.50. JAMES I. FELLOWS Chemist, St John N. B.

Husband returned from a call on Judge Jones. Well, Mary, I have examined those certificates and found them straight as a string. There are so many imitations and counterfeits sticking like barnacles to every good medicine that I have learned to look upon the good and bad as one and alike. It is very wrong, however, this Pain-Killer of Perry Davis has stood the test of time. Doctors and Druggists have not been able to buy it up, as you say, Mary, in everybody's house, and I am astonished to find it has been doing such a world of good about here, and we have known nothing about it.

Wife—It must have cured somebody's Rheumatism, or you wouldn't have been converted so easily. Husband—Converted, why it has cured a dozen cases about here within a year. Simon Tinkler, who you know used to be such an awful sufferer with it, and was laid up half the time, why it was this same Perry Davis Pain-Killer that cured him. George Trotter, who Dr Squille used to pity so much and call a great sufferer, he too was cured with the Pain-Killer and what's more he writes that he paid Dr Squille over \$100 for attending him and was growing worse all the while; here, my dear, rub some of it on my shoulder at once. I am through with Dr Squille, if Pain-Killer can't cure me, nothing will, I am convinced of that. Sold every where, price 25cts, and 50 cents per bottle.

The Pain-Killer is an internal and external remedy for pain. For internal pain, Cramps, Spasms, Sudden Colds and Bowel difficulties, a few drops in water will give immediate relief. As a liniment it is without an equal, it stops pain almost instantly. Be sure and get the genuine, made by Perry Davis & Son, and sold by Druggists and Grocers.
