

Malahide Circuit Notes

Sunday was a forecast of winter. It affected the congregations considerably.

Last week at Copenhagen, Luton and Mt. Salem Young People's meetings, a report was given by the Missionary Convention in Toronto. Dunboyne meeting was withdrawn on account of the rain.

During the present week the meetings will be in charge of the Literary "Our Winter's Reading. What will it be?"

Next Sunday services will be regular with morning service at Copenhagen and evening service at Luton.

The Christmas entertainments on the circuit will be held as follows:

Dec. 18, Dunboyne.
Dec. 19, Luton.
Dec. 22, Mt. Salem.
Dec. 23, Copenhagen.

Practice is beginning at each place. The Luton Ladies Aid is having a tea at the home of Mrs. A. Harrett on Thursday, Nov. 27th.

Announcement is out for the annual meeting of the East Elgin Religious Education Council to be held in the Baptist church, Aylmer, on Nov. 25. All county and township officers and all superintendents and teachers should attend. The new general secretary, Rev. R. B. Ferris, will be present to address the council.

Do they answer your questions?

The young people, in their letters from school, seldom tell you what you really want to know.

But how different when you call them by Long Distance! Jack says he is all over his cold. Mary is no longer homesick and is perfectly happy.

The load is lifted from your mind. And how the absent ones do enjoy hearing the familiar voice!

No matter how gloomy the weather, a talk with the young people by Long Distance will always bring sunshine into their day as well as yours.

Look up in your Telephone Book the lower rates for Station-to-Station calls after 5:30 p.m.

Pale Anaemic Girls

Find New Health Through the Use of Dr. Williams' Pink Pills.

There must be no guesswork in the treatment of pale, anaemic girls and children. If your daughter is languid has a pale, yellow complexion, is short of breath after slight exertion or on going up stairs, if she has palpitation of the heart, a poor appetite, or a tendency to faint, she has anaemia—the medical name for poverty of the blood. Any delay in treatment may leave her weak and sickly for the rest of her life. Delay may even result in consumption, that most hopeless of diseases. When the blood is poor and watery give Dr. Williams' Pink Pills, coupled with nourishing food and gentle out-of-door exercise. The new life-giving blood which follows a fair use of Dr. Williams' Pink Pills stimulates the nerves, increases the appetite and brings the glow of health to pale cheeks. Mrs. W. E. Armour, Havelock, Ont., says: "My little girl got into a very weak state of health. She was weak, very much run down and as the doctor did not seem to do her any good, I thought I would try Dr. Williams' Pink Pills. After taking six boxes of the pills she got nice and rosy and strong again. I would recommend Dr. Williams' Pink Pills to anyone weak and rundown."

You can get these pills through any dealer in medicine or by mail postpaid at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

THE LAW OF HOSPITALITY

There is a very simple rule. That every one should know; You may not hear of it in school, But everywhere you go,

To everyone who gives me food, Or shares his home with me, I owe a debt of gratitude, And I must loyal be.

I may not laugh at him, or say Of him a word unkind; His friendliness I must repay, And to his faults be blind!

Three-quarters of the soils in the Province of Ontario need lime. When soils need lime they are said to be "sour."

Sour soils will not produce profitably till they are limed. Clover and alfalfa is the foundation of profitable farming and they will not grow successfully in sour soil.
