THE CAMPBELLTON GRAPHIC

THE L...  
The sympathy of a large circle is extended to Mrs. Walter Gray in the loss of their infant daughter who died last Friday.

Pupils of grade five and six will attend school in the temporary Bank of N. S. building and grade seven in the room next the police court, commencing Monday morning.

Work is progressing very satisfactory at the new power station under the superintendence of Mr. Hiram Farrer. The general manager hopes to have the new plant in operation by October 1st.

A large number took advantage of the special sail arranged by the owners of the steamer Canada for Labor Day, and all report being highly pleased with the trip and well satisfied with the attention of the officials.

On Wednesday morning the travelling pile driver on the I. C. R. construction train carried away the electric light and telephone wires at Victoria street crossing. The occurrence was purely accidental and the damage more annoying than costly.

The S. S. Samara is again in port loading for South America. This will be the second trip in one season made by this ship, and is the first time this has been done. The vessel made an extra quick run from Norfolk to Campbellton on the return journey from the River Plate.

The Messrs. B. A. Mowat Company are preparing for the erection of a large brick block on Water Street. The structure will be 80x35 and will be of pressed brick with concrete foundations. The building will be three stories in height and devoted entirely to commercial purposes, it will have steam heating throughout and electric elevators. The cost will be between \$12,000 and \$15,000. F. N. Brodie of St. John is the architect.

MRS. MARY FLEMING  
The death of Mrs. Mary Fleming occurred on the 6th at the residence of her son-in-law Mr. J. A. Kerr. The deceased lady was 70 years of age and was in good health till four days before her death, which came very unexpectedly to her family and friends. The funeral was conducted by the Rev. Mr. Paulin. The pallbearers were Messrs. W. McDonald, P. McKinnon, A. H. Innes, J. C. McCurdie, W. McMillan and J. Blair. —Vancouver World, Aug. 7th.

BORN  
At Campbellton, Sept. 3rd to Mr. and Mrs. Thos. Ellsworth, a daughter.

MARRIAGES  
The marriage of D. Gordon Mann of Riverside and May Lilian Thomas, daughter of Mr. and Mrs. Geo. Thomas, of Upsalquitch, took place at the Methodist Parsonage, Campbellton on August 25th, Rev. Geo. Morris officiating.  
Edmund S. Rest and Lottie Stacey both of Halifax N. S., were married by Rev. George Morris at the Methodist Parsonage, Campbellton on Tuesday evening last.

LEAGUE GOSSIP  
In the league tourney just closed the I. N. R. team are worthy winners of the trophy, while H. O'Keefe wins the suit of clothes presented by N. L. McRae of Oak Hall for the player scoring the greatest number of runs.  
The success of the various games played with foreign teams leads one to hope that next season a larger number of these will be arranged say for Saturday afternoons, either that or a series of home and home games might be played. We do not too cocky but we think we can turn out a good ball team. What.

Congratulations are extended to Mr. and Mrs. Thos. Ellsworth on the arrival of a baby daughter, and congratulations to Mr. and Mrs. D. A. Stewart. The work has also found its way to Tide Head and we also extend the right glad hand to Mr. and Mrs. Gillis.

Last week we were treated to a splendid sample of "Hooliganism" when a number of young boys disturbed the open air meetings held at the Post Office by evangelists. To deny anyone preaching the gospel of Christ shows only the lowest depth of depravity born of ignorance.
